PUBLIC ANNOUNCEMENT OF INTENT TO AWARD ON A SOLE SOURCE BASIS TO THE AMERICAN SOCIETY OF HEATING, REFRIGERATING AND AIR-CONDITIONING ENGINEERS, INC.

Naval Facilities Engineering Systems Command (NAVFAC) Atlantic, Norfolk, VA intends to sole source a contract to the American Society of Heating, Refridgerating and Conditioning Engineers, Inc, 180 Technology Pkwy, Peachtree Corners, GA, 30092 for the commercial purchase of ASHRAE eLearning Training for online courses. The contract will be for a period of one year.

This requirement meets the conditions of FAR 13.106-1(b)(1), only one responsible source is able to provide the type of service that will satisfy the agency requirements. ASHRAE was formed as the American Society of Heating, Refrigerating and Air-Conditioning Engineers by the merger in 1959 of American Society of Heating and Air-Conditioning Engineers (ASHAE) founded in 1894 and The American Society of Refrigerating Engineers (ASRE) founded in 1904.

This Notice of Intent is not a request for Expressions of Interest (EOIs), proposals, or quotations. No solicitation documentation exists and no telephone inquiries will be accepted. No contract award will be made based on EOIs, proposals, or quotations received in response to this notice. Information received because of this notice will be considered solely for the purpose of determining whether to conduct competitive procurement.

This synopsis is for notification purposes only and does not constitute a solicitation for bids, quotes, or proposals. The North American Industry Classification System (NAICS) Code is 611430 – Professional and Management Development Training. The Small Business size standard is $16.5 million.

This synopsis does not constitute a solicitation; however, if any interested party believes they can meet the above requirement, it may submit a statement of capabilities. The statement of capabilities must be submitted in writing and must contain clear and convincing evidence that competition for this requirement would be advantageous to the Government.

If parties choose to respond, any cost associated with preparation and submission of data or any other cost incurred in response to this announcement are the sole responsibility of the respondent and will not be reimbursed by the Government. A request for documentation will not be considered as an affirmative response.

The Government will be the sole determiner regarding a company's ability to meet all requirements. If no responses are received by 12:00 PM EDT, 30 June 2026 to the effect that obtaining services from an alternate source is more advantageous to the Government than obtaining these services through a sole-source contract, then a firm fixed price sole source award will be made to ASHRAE. No questions will be addressed.

All responses must be submitted to the Government point of contact at the following email address: alicia.n.mitchell2.civ@us.navy.mil. A determination by the Government not to open the requirement to competition is solely within the discretion of the Government. The anticipated award date is 01 July 2026.
