Site Visit:

Offerors or quoters are urged and expected to inspect the site where services are to be performed and to satisfy themselves regarding all general and local conditions that may affect the cost of contract performance, to the extent that the information is reasonably obtainable. In no event shall failure to inspect the site constitute grounds for a claim after contract award. The site visit will be **November 14, 2025, at 1100 ET**. The site visit(s) will begin at NRS Hamden, CT., and once completed, the second site visit will require the prospective contractors to travel to NRS Ansonia, CT. The site visit(s) are expected to last no longer than three hours between both of these locations.

To request a site visit on this date, please contact/submit your reservation to the following points of contact: nathan.p.havill@usda.gov; james.anderson@usda.gov; patrick.jones2@usda.gov
