5. Important Notice on Future Solicitation Requirements
The information below is provided for planning purposes. Should DLA Energy issue a formal solicitation for this requirement, the following will be mandatory for award eligibility. **Vendors interested in this requirement are strongly encouraged to begin the registration processes immediately, as they can be time-intensive.**

- **System for Award Management (SAM):** Offeror must be registered and active in SAM (www.sam.gov) at the time of proposal submission and award.
- **Joint Contingency Contracting System (JCCS):** Offeror must be **fully registered and approved** in JCCS at the time of proposal submittal. "Fully registered" means all required documents are uploaded, approved, and meet all registration requirements. Offerors are responsible for notifying the contracting office upon completion of their JCCS registration. The JCCS profile requires, but is not limited to, the following documentation:
- CAGE/NCAGE Code (and UEI).
- Articles of Association or Letter of Incorporation.
- Host Nation Business License.
- Tax Identification Certificate / Tax Clearance Letter / Tax Statement.
- Completed CENTCOM questionnaire (signed within the last 6 months), including an Organizational Chart with names and titles of all Key Management Personnel (KMPs).
- Current and valid photo identification for all shareholders, directors, and KMPs.
- If a shareholder is another entity, provide its Articles of Association, Business License, or most recent Annual Report.
- Financial Documents, such as a Bank Statement from within the last 6 months (cannot be redacted). A Balance Sheet / Profit & Loss statement is desired but not required.

Failure to be fully registered and approved in JCCS at the time of proposal submission for a future solicitation will result in the proposal being deemed non-responsive and ineligible for award.
