	Amendment No. 2 The purpose of this amendment is to notify quoters that the Government is considering revising the contract type for this requirement from Time-and-Materials to Firm-Fixed-Price. At this time, the Government is requesting industry feedback on what information, assumptions, RFQ revisions, SOW revisions, pricing structure changes, or schedule adjustments would be necessary for quoters to submit Firm-Fixed-Price quotations. Quoters are invited to identify any information or changes they would need in order to price this requirement on a Firm-Fixed-Price basis. Quoters are also invited to identify whether the potential change to Firm-Fixed-Price would affect their ability or decision to submit a quotation, and whether any revisions to the RFQ, SOW, pricing structure, assumptions, or schedule would assist in supporting meaningful competition. Industry feedback submitted in response to this amendment will be considered by the Government in determining whether revisions to the SOW, RFQ, pricing structure, contract type, or solicitation schedule are necessary. This request is for industry feedback only. The Government does not intend to publish formal responses to individual comments submitted in response to this amendment. Industry feedback shall be submitted by email to Jennifer_moreci@ios.doi.gov no later than 5:00 PM EDT July 7, 2026. Feedback shall include RFQ No. 140M0126Q0031 in the subject line. The quotation due date is hereby extended to July 31, 2026 at 5:00 PM EDT. After reviewing industry feedback, the Government may issue a subsequent amendment addressing the final contract type, any RFQ or SOW revisions, and any further changes to the quotation due date, if necessary.
