MEMORANDUM FOR RFQ 12445526Q0070

FROM USFS PROPS EZ 3 CONS

SUBJECT: RFQ 12445526Q0070 Questions & Answers

1. **Question**: "Does [the Government] intend to hold a scheduled site visit for this project?

   Answer: *"Site visit information can be found on Page 23 of the Solicitation."*

2. **Question**: "Please confirm whether offerors may conduct independent site visits prior to [quotation] submission. If independent site visits are permitted, could [the Government] please advise of any access restrictions, notification requirements, coordination procedures, or other considerations that prospective [quoters] should be aware of before visiting the project location?"

   Answer: *"The project site is publicly accessible for self-guided site visits. There are no known restrictions or limitations to public access. Vendors are asked to be mindful of any on-site signage, if/where applicable."*

3. **Question**: "Could [the Government] provide the [quotation] quantities form in Excel format?"

   Answer: "*The file type for the Fillable Schedule of Items attachment is Microsoft Excel. Downloading the document directly from the SAM.gov posting should provide [vendors] with the proper Excel file type and format. [The Government] is not aware of any site-specific technical issues or errors with the attachments."*

4. **Question**: "Can [the Government] provide the Bid Bond percentage required for this project?"

   Answer: "*Bid Guarantee values can be found in Provision 52.228-1 of the Solicitation."*
