SLAC NATIONAL ACCELERATOR LABORATORY

SUPPLY CHAIN MANAGEMENT

2575 Sand Hill Road, MS 01
Menlo Park, CA 94025

June 24, 2026

To All Offerors,

SLAC is pleased to offer Request for Proposal for the **FEH Optics Lab Construction** project, RFP **366145**, for your consideration. The RFP package includes the model subcontract and all terms and conditions of procurement.

You are invited to submit a firm-fixed-price proposal covering the requirements of the attached Statement of Work in accordance with the proposal requirements, terms and conditions, and other applicable documents, all of which are provided herewith and identified herein.

**The due date for the proposal Month DD, 2026**, as noted on RFP Section A. Proposals to be sent electronically by email in a searchable PDF file format, as directed by RFP Section L.

**PROPOSAL**: Proposals must include a signed copy of **RFP Section A and Section B (INCLUDING REFERENCED SECTIONS IN SECTION A and TECHNICAL AND BUSINESS PROPOSAL FOR SECTIONS L AND M, and SECTION L BID BREAKDOWN FORM)**, and the appropriate Representations and Certifications (See Section K and Section L). Please ensure that all required forms are completed as an incomplete or missing form is grounds for disqualification.

**SITE VISIT:** A site visit is tentatively **NOT** scheduled ~~**Month DD, 2026 at 11:00AM PST. No PPE Required.** All Subcontractors/Visitors coming on-site to SLAC without an active SLAC badge will need a REAL ID-compliant driver's license or another acceptable form of identification to access the site. More information about REAL-ID Compliant Identification can be found in the memo "REAL ID Requirement for SLAC Entry."~~

**CONFIRM:** Upon receipt of this RFP, please confirm your company's intention to submit a proposal, or not, to the undersigned and identify the primary point of contact.

**PLEASE NOTE:** SLAC National Accelerator Laboratory is operated by Stanford University for the U.S. Department of Energy, making this a federally funded construction project. As such, in accordance with the Davis-Bacon Act, DOE WH Publication 1321 is required to be posted along

DRAFT

with other required labor postings at the jobsite. This document can be found on the following website: https://www.dol.gov/sites/dolgov/files/WHD/legacy/files/fedprojc.pdf

All communications regarding this RFP are to be directed to the undersigned procurement representative. No other employee or contractor of SLAC is to be contacted regarding any aspect of this RFP, without the authorization of the undersigned.

**CONFLICT OF INTEREST:** To avoid a conflict of interest, subcontracts for construction are not awarded to an A&E firm or an affiliate that prepared a significant portion of the design, and the construction subcontractor or an affiliate cannot be employed to inspect the subcontractor's work.

**RFI SUBMITTALS:** Questions and inquiries are to be directed to the attention of the undersigned and will be accepted for response through **Month DD, 2026** (last minute RFIs accepted on a case-by-case basis only). Please use "**RFP_ 366145_RFI_Log"** to submit all questions and inquiries. Questions and responses by SLAC will be distributed to all prospective suppliers.

Best regards,

Matt Mezzetta
