ATTACHMENT 2 – SCHEDULE OF ITEMS

New installation: *Toilet and material supply, delivery, excavation, and all other work required for a complete installation of a new concrete vault toilet system.*

Replacement: *All work required for a new installation, but with the addition of pumping, demolition, and disposal of an existing toilet.*

NOTES:

1. Offerors must submit pricing on all items to be considered responsive. Must quote on all items. Round to the nearest cent.
2. Payment for bond premiums in accordance with FAR 52.232-5. Payments under Fixed-Price Construction Contracts shall not be in addition to the contract price but can be included under Mobilization.
3. Quantities are provided for information only and are in-place quantities. No shrinkage or swell factors have been applied. Contractor shall verify quantities.
4. Items labeled as optional are not required to be exercised by the government. If exercised, the contractor will be required to perform the optional work in accordance with the terms and conditions of this contract. If sufficient funds available, the government will exercise the option item(s) at award.
