Grissom ARB Tank Replacement Project:
Questions & Answers

1.

Q: Can photos of the access into and out of the existing AST area be provided?

A: Photos of the AST area are attached to this email.

2.

Q: Does the tank require painting? It appeared to already be painted during the bid walk.

A: Tank has a primer coat; we would like to have a separate line item for painting.

3.

Q: Can the width of the opening between trees and exterior building wall that contractors will use to access the AST area be provided?

A: Opening is roughly 5’ wide to avoid attachments to the side of the building.

4.

Q: Can the tank diameter be provided?

A: Tank dimensions are 4’W x 4’6”H x 6’6”L

5.

Q: What tolerance is there for minor damage to tree limbs during AST work?

A: Any broken branches will need to be removed and trimmed back to the trunk.
