PERFORMANCE WORK STATEMENT (PWS)

FOR

Central Issue Facility Laundry Services

1.0 General:

1.1 Scope: Contractor shall furnish all labor, equipment, supervision, management, supplies, facilities, including transportation of equipment to contractor owned/contractor operated laundry facility to accomplish the required gear cleaning service and tasks for accomplishment of complete laundry services, as described in this PWS for the CIF. All services are to be performed in accordance with standard industry care tag processes and quality control measures. The applicable Department of Labor Wage Rates are listed following the Statement of Work.

1.2 Background: CIF is an issuing facility of Organizational Clothing and Individual Equipment (OCIE) for all service members in the Alabama National Guard. Contract with four-year option previously established and set to expire 28 September 2026.

1.3 Period of Performance (PoP): The Period of Performance shall be one (1) Base Year of 12 months and four (4) 12-month option years.

1.4 General Information:

1.4.1 Place and Performance of Services: The contractor shall provide services during the current hours of operations on Tuesday through Friday 0700 – 1730 except on recognized US holidays. Performance shall be at vendors assigned location for services. The contractor shall at all times maintain an adequate workforce for the uninterrupted performance of all tasks defined within this PWS when the Government facility/installation is not closed for the above reasons. When hiring personnel, the contractor shall keep in mind that the stability and continuity of the workforce are essential. All pickups will occur at 1740 Congressman W. L. Dickinson Drive, Montgomery, AL. 36109.

1.4.1.1. Reserved

1.4.1.2 Unscheduled gate closures by the Security Police may occur at any time causing all personnel entering or exiting a closed installation to experience a delay. This cannot be predicted or prevented. Contractors are not compensated for unexpected closures or delays. Vehicles operated by contractor personnel are subject to search pursuant to applicable regulations. Any moving violation of any applicable motor vehicle regulation may result in the termination of the contractor employee's installation driving privileges.

1.4.1.3 The contractor's employees shall become familiar with and obey the regulations of the installation; including fire, traffic, safety and security regulations while on the installation. Contractor employees should only enter restricted areas when required to do so and only upon prior approval. All contractor employees shall carry proper identification with them at all times, and shall be subject to such checks as may be deemed necessary. The contractor shall ensure compliance with all regulations and orders of the installation, which may affect performance. The Government reserves the right to direct the removal of an employee from Government property or revoke access to Government systems for misconduct, security reasons, or any overt evidence of communicable disease. Removal of contractor employees for reasons stated above does not relieve the Contractor from responsibility for total performance of this contract.

1.4.2 Recognized Holidays: The following are recognized United States (US) holidays. The contractor shall perform services on these days:

1.4.2.1 New Year's Day: January 1st
1.4.2.2 Martin Luther King, Jr.'s Birthday
1.4.2.3 President's Day
1.4.2.4 Memorial Day
1.4.2.5 Juneteenth National Independence Day: June 19th
1.4.2.6 Independence Day: July 4th
1.4.2.7 Labor Day
1.4.2.8 Columbus Day
1.4.2.9 Veteran's Day: November 11th
1.4.2.10 Thanksgiving Day
1.4.2.11 Christmas Day: December 25th

1.4.3 Quality Control (QC): The contractor shall develop and maintain an effective QC Plan (QCP) to ensure services are performed in accordance with this PWS. The contractor shall develop and implement procedures to identify, prevent, and ensure non-recurrence of defective services. The contractor's QCP is the means by which it assures itself that its work complies with the requirements of the contract. As a minimum, the contractor shall develop QC procedures that address the areas identified in Technical Exhibit 1, Performance Requirements Summary (PRS).

1.4.4 Quality Assurance (QA): The Government will evaluate the contractor's performance under this contract in accordance with the Quality Assurance Surveillance Plan (QASP). This plan is primarily focused on what the Government will do to ensure that the contractor has performed in accordance with the performance standards. It defines how the performance standards will be applied, the frequency of surveillance, and acceptable quality level(s) or defect rate(s).

1.4.5 Installation Access and Security Requirements. The contractor shall comply with all applicable installation/facility access and local security policies and procedures, which may be obtained from the COR. The contractor and all associated subcontractor employees shall provide all information required for background checks to meet

installation access requirements to be accomplished by installation Provost Marshal Office, Director of Emergency Services, or Security Office. The contractor shall ensure compliance with all personal identity verification requirements as directed by Department of Defense (DoD), Headquarters Department of Army (HQDA) and/or local policy (see PWS 6.0). Should the Force Protection Condition (FPCON) change, the Government may require changes in contractor security matters or processes.

1.4.5.1. - 1.4.5.4 Reserved

1.4.5.5 Communications Security/Information Technology (COMSEC/IT) Security. All communications with DoD organizations are subject to COMSEC review. All telephone communications networks are continually subject to intercept by unfriendly intelligence organizations. DoD has authorized the military departments to conduct COMSEC monitoring and recording of telephone calls originating from, or terminating at, DoD organizations. Therefore, the contractor is advised that any time contractor personnel place or receive a call they are subject to COMSEC procedures. The contractor shall ensure wide and frequent dissemination of the above information to all employees dealing with DoD information. The contractor shall abide by all Government regulations concerning the authorized use of the Government's computer network, including the restriction against using the network to recruit Government personnel or advertise job openings.

1.4.5.6 - 1.4.5.14 Reserved

1.4.6 Physical Security. The contractor shall safeguard all Government property provided for contractor use. At the close of each work period, Government facilities, equipment and materials shall be secured.

1.4.7. Reserved

1.4.8 Post Award Conference/Periodic Progress Meetings: The contractor agrees to attend any post award conference convened by the KO. The KO, COR and other Government personnel, as appropriate, may meet periodically with the contractor to review the contactor’s performance. At these meetings, the KO will apprise the contractor of how the Government views the contractor’s performance and the contractor shall apprise the Government of problems, if any, being experienced. The contractor shall resolve outstanding issues raised by the Government. Contractor attendance at these meetings shall be at no additional cost to the Government.

1.4.9 Contract Manager (CM): The contactor shall designate a CM who shall ensure performance under this contract. The name of this person, and an alternate who shall act for the contractor when the CM is absent, shall be designated in writing to the KO. The CM or alternate shall have full authority to act for the contractor on all contract matters relating to daily operation of this contract. The CM shall work through the COR, to resolve issues, receive technical instructions, and ensure adequate performance of services. The CM shall ensure that contractor employees do not perform any services

outside the scope of the contract without an official modification issued by the KO. The CM shall ensure contractor employees understand that services performed outside the scope of the contract are performed wholly at the expense of the contractor.

1.4.10. Reserved

1.4.11. Combating Trafficking in Persons: The United States Government has adopted a zero tolerance policy regarding trafficking in persons. Contractors and contractor employees shall not engage in severe forms of trafficking in persons during the period of performance of the contract; procure commercial sex acts during the period of performance of the contract; or use forced labor in the performance of the contract. The Contractor shall notify its employees of the United States Government's zero tolerance policy, the actions that will be taken against employees for violations of this policy. The contractor shall take appropriate action, up to and including termination, against employees or subcontractors that violate the US Government policy as described at FAR 22.17.

1.4.12. Reserved

1.4.13. Reserved

1.4.14 Organizational Conflicts of Interest (OCI): The contractor and subcontractor personnel performing services under this contract may receive, have access to or participate in the development of proprietary or source selection information (e.g., cost or pricing information, budget information or analyses, specifications or work statements, etc.) or perform evaluation services which may create a current or subsequent OCIs, as defined in FAR Subpart 9.5. The contractor shall notify the KO immediately whenever it becomes aware that such access or participation may result in any actual or potential OCI and shall promptly submit a plan to the KO to avoid or mitigate any such OCI. The contractor's mitigation plan will be determined to be acceptable solely at the discretion of the KO. In the event the KO unilaterally determines that any such OCI cannot be satisfactorily avoided or mitigated, the KO may impose other remedies as he or she deems necessary, including prohibiting the contractor from participation in subsequent contracted requirements which may be affected by the OCI.

1.4.15. Reserved

2.0 Definitions and Acronyms:

2.1 Definitions:

2.1.1 Central Issue Facility (CIF): Army issuing facility used for receiving, storing, issuing, and turning in Organizational Clothing and Individual Equipment (OCIE) issued to Soldiers.

2.1.2 Contractor: A supplier or vendor awarded a contract to provide specific supplies or service to the Government. The term used in this contract refers to the prime.

2.1.3 Contracting Officer (KO): A person with authority to enter into, administer, or terminate contracts, and make related determinations and findings on behalf of the government. Note: The only individual who can legally bind the government.

2.1.4 Contracting Officer Representative (COR): An employee of the U.S. Government designated by the KO to monitor contractor performance. Such appointment will be in writing and will state the scope of authority and limitations. This individual has authority to provide technical direction to the Contractor as long as that direction is within the scope of the contract, does not constitute a change, and has no funding implications. This individual does NOT have authority to change the terms and conditions of the contract.

2.1.5 Defective Service: A service output that does not meet the standard of performance associated with the PWS.

2.1.6 Deliverable: Anything that can be physically delivered and includes non-manufactured things such as meeting minutes or reports.

2.1.7 Key Personnel: Contractor personnel that are evaluated in a source selection process and that may be required to be used in the performance of a contract by the PWS. When key personnel are used as an evaluation factor in best value procurement, an offer can be rejected if it does not have a firm commitment from the persons that are listed in the proposal.

2.1.8 Organizational Clothing & Individual Equipment (OCIE): Mission essential Army owned equipment.

2.1.9 Physical Security: Actions that prevent the loss or damage of Government property.

2.1.10 Quality Assurance: The Government procedures to verify that services being performed by the Contractor are performed according to acceptable standards.

2.1.11 Quality Assurance Surveillance Plan (QASP): An organized written document specifying the surveillance methodology to be used for surveillance of contractor performance.

2.1.12 Quality Control: All necessary measures taken by the Contractor to ensure that the quality of an end product or service shall meet contract requirements.

2.1.13 Subcontractor: One that enters into a contract with a prime contractor. The Government does not have privity of contract with the subcontractor.

5.0 Requirements: The contractor shall:

5.1. The Contractor shall provide cleaning services of OCIE in accordance with this PWS. All items listed in Technical Exhibit (TE) 4 are expected to be free of all dirt and grime prior to being returned to CIF.

5.1.1. OCIE to be received, inspected, cleaned, packaged, stored and returned are subject to the Contractors' Quality Assurance.

5.1.2. The cleaning of OCIE shall follow the item-specific care tag instructions. If a care tag does not exist, follow the care instructions listed in the item Technical Manual (TM). If neither one exist, the Contractor may develop procedures or specifications for these items and submit them for Government approval.

5.1.3. Items are expected to be picked up and dropped off once per month. The CIF manager will coordinate with the contractor for scheduled pick up and drop off times and

dates. Items will be picked up and dropped off at the USPFO Warehouse located at 1740 Congressman Dickinson Dr., Montgomery, AL 36109 between the hour of 0730 – 1630, Tuesday – Friday. Pick up and drop off times may be changed in order to meet the needs of the Alabama National Guard mission and will be agreed upon between the Contractor and Contracting Officer Representative (COR) or designated representative.

5.1.4. Contractor and CIF personnel will all ensure that they have an accurate and agreed up count of what is being picked up and dropped off at every meeting. CIF personnel will create a laundry slip prior to every shipment and will be verified with the contractor prior to departure. The COR or designated representative will verify the deliveries and discuss any discrepancies with the contract Project Manager.

5.1.5. All items that are deemed as damaged should be communicated to the CIF Manager or Contracting Officer Representative (COR) immediately upon discovery.

5.1.6. Contractor will submit a check as a method of payment for any damages that are caused by the contractor. The Contractor will make out a check to the US Treasury and given to the United States Property and Fiscal Office (USPF&O) with the current rate of each piece of equipment.

TECHNICAL EXHIBIT 1

Performance Requirements Summary (PRS)

This PRS includes performance objectives the Government will use to determine contractor performance and will compare contractor performance to the Acceptable Quality Level (AQL).

Performance Objective	**Standard / Acceptable Quality Level (AQL)**	**Method of Measurement**
Quality of Cleaning	**95% AQL:** Items returned are clean, dry, odor-free, and meet CIF serviceability standards without rework.	100% visual inspection by CIF personnel upon receipt; customer complaint logs.
Preservation of Equipment	**Zero Defect (100% AQL):** No items damaged, shrunk, or degraded due to improper contractor cleaning methods.	Random sampling of returned gear; CIF receiving inspections.
Turnaround Time (TAT)	**98% AQL:** Items are cleaned and returned within the agreed-upon timeframe (e.g., 72 or 96 hours from pickup).	Date/Time stamped inventory manifests at pickup and drop-off.
Inventory Accountability	**100% AQL:** Zero lost or misplaced items while in the contractor's possession.	Reconciliation of incoming vs. outgoing itemized counts via the Property Book or CIF system of record.
