QUESTIONS AND ANSWERS FOR PLASTIC AND METAL MASTER BPAs

QUESTION

1. I see that there are price lists included in the solicitation postings on SAM.gov, but my understanding of these BPAs from past experience is that pricing is requested at the time of each BPA call. Do I need to provide pricing for the full list of supplies up front?

ANSWER

1. Yes, pricing for every item is required with Contractor proposals.

QUESTION

2. It' state's, maximum price is $5M. But with the current inflation pressure, prices are skyrocketing on a daily basis, products have doubled the price & fuel prices are rising. Does this price cap reasonable in this situation?

ANSWER

2. Pricing will be verified at the Time of every BPA Call to insure pricing is up to date.
