Postaward Small Business Program Rerepresentation (Feb 2026) (Deviation 2026-O0038)

(a) Definitions. As used in this clause-

Long-term contract means a contract of more than five years in duration, including options. However, the term does not include contracts that exceed five years in duration because the period of performance has been extended for a cumulative period not to exceed six months under the clause at 52.217-8, Option to Extend Services, or other appropriate authority.

Small business concern-

(1) Means a concern, including its affiliates, that is independently owned and operated, not dominant in its field of operation, and qualified as a small business under the criteria in 13 CFR part 121 and the size standard in paragraph (c) of this clause.

(2) Affiliates, as used in this definition, means business concerns, one of whom directly or indirectly controls or has the power to control the others, or a third party or parties control or have the power to control the others. In determining whether affiliation exists, consideration is given to all appropriate factors including common ownership, common management, and contractual relationships. SBA determines affiliation based on the factors set forth at 13 CFR 121.103.

(b) If the Contractor represented that it was a small business concern, a small disadvantaged business concern, or a joint venture that was any of the small business concerns identified in 19.000(a)(3) prior to award of this contract, the Contractor shall rerepresent its size and socioeconomic status according to paragraph (e) of this clause or, if applicable, paragraph (g) of this clause, upon occurrence of any of the following:

(1) Within 30 days after execution of a novation agreement or within 30 days after modification

of the contract to include this clause, if the novation agreement was executed prior to inclusion of this clause in the contract.

(2) Within 30 days after a merger or acquisition that does not require a novation or within 30 days after modification of the contract to include this clause, if the merger or acquisition occurred prior to inclusion of this clause in the contract.

(3) For long-term contracts-

(i) Within 60 to 120 days prior to the end of the fifth year of the contract; and

(ii) Within 60 to 120 days prior to the date specified in the contract for exercising any option thereafter.

(c) The Contractor shall rerepresent its size status in accordance with the size standard in effect at the time of this rerepresentation that corresponds to the North American Industry Classification System (NAICS) code(s) assigned to this contract. The small business size standard corresponding to this NAICS code(s) can be found at https://www.sba.gov/document /support--table-size-standards.

(d) The small business size standard for a Contractor providing an end item that it does not manufacture, process, or produce itself, for a contract other than a construction or service contract, is 500 employees, or 150 employees for information technology value-added resellers under NAICS code 541519, if the acquisition-

(1) Was set aside for small business and has a value above the simplified acquisition threshold;

(2) Used the HUBZone price evaluation preference regardless of dollar value, unless the Contractor waived the price evaluation preference; or

(3) Was an 8(a), HUBZone, service-disabled veteran-owned, economically disadvantaged women-owned, or women-owned small business set-aside or sole-source award regardless of dollar value.

(e) Except as provided in paragraph (g) of this clause, the Contractor shall make the representation(s) required by paragraph (b) of this clause by validating or updating all its representations in the Representations and Certifications section of the System for Award Management (SAM) and its other data in SAM, as necessary, to ensure that they reflect the Contractor's current status. The Contractor shall notify the contracting officer in writing within

the timeframes specified in paragraph (b) of this clause, that the data have been validated or updated, and provide the date of the validation or update.

(f) If the Contractor represented that it was other than a small business concern prior to award of this contract, the Contractor may, but is not required to, take the actions required by paragraphs (e) or (g) of this clause.

(g) If the Contractor does not have representations and certifications in SAM, or does not have a representation in SAM for the NAICS code applicable to this contract, the Contractor is required to complete the following rerepresentation and submit it to the contracting office, along with the contract number and the date on which the rerepresentation was completed:

(1) The Contractor represents that it [ ] is, [ ] is not a small business concern under ____NAICS Code assigned to ____contract number.

(2) [Complete only if the Contractor represented itself as a small business concern in paragraph (g)(1) of this clause.] The Contractor represents that it [ ] is, [ ] is not, a small disadvantaged business concern as defined in 13 CFR 124.1001.

(3) Women-owned small business (WOSB) joint venture eligible under the WOSB Program. The Contractor represents that it [ ] is, [ ] is not a joint venture that complies with the requirements of 13 CFR 127.506(a) through (c). [____The Contractor shall enter the name and unique entity identifier of each party to the joint venture: __.]

(4) Economically disadvantaged women-owned small business (EDWOSB) joint venture. The Contractor represents that it [ ] is, [ ] is not a joint venture that complies with the requirements of 13 CFR 127.506(a) through (c). [____The Contractor shall enter the name and unique entity identifier of each party to the joint venture: __ .]

(5) Service-disabled veteran-owned small business (SDVOSB) joint venture eligible under the SDVOSB Program. The Contractor represents that it [ ] is, [ ] is not an SDVOSB joint venture eligible under the SDVOSB Program that complies with the requirements of 13 CFR 128.402. [____The Contractor shall enter the name and unique entity identifier of each party to the joint venture: __.]

(6) HUBZone joint venture eligible under the HUBZone Program.[Complete only if the offeror is a HUBZone small business concern.] The offeror represents, as part of its offer, that It [ ] is, [ ] is not a HUBZone joint venture that complies with the requirements of 13 CFR 126.616(a) through (c). [____The Contractor shall enter the name and unique entity identifier of each party

to the joint venture: .] Each HUBZone small business concern participating in the HUBZone joint venture must be certified as a HUBZone concern. [____Contractor to sign and date and insert authorized signer's name and title.]

252.204-7016	Covered Defense Telecommunications Equipment or Services-Representation.	2019-12		

COVERED DEFENSE TELECOMMUNICATIONS EQUIPMENT OR SERVICES-REPRESENTATION (DEC 2019)

(a) Definitions. As used in this provision, "covered defense telecommunications equipment or services" has the meaning provided in the clause 252.204-7018, Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services.

(b) Procedures. The Offeror shall review the list of excluded parties in the System for Award Management (SAM) (https://www.sam.gov) for entities excluded from receiving federal awards for "covered defense telecommunications equipment or services".

(c) Representation. The Offeror represents that it [ ] does, [ ] does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument.

(End of provision)

252.204-7017	Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services-Representation.	2021-05

PROHIBITION ON THE ACQUISITION OF COVERED DEFENSE TELECOMMUNICATIONS EQUIPMENT OR SERVICES-REPRESENTATION (MAY 2021)

The Offeror is not required to complete the representation in this provision if the Offeror has represented in the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument."

(a) Definitions. "Covered defense telecommunications equipment or services," "covered mission," "critical technology," and "substantial or essential component," as used in this provision, have the meanings given in the 252.204-7018 clause, Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services, of this solicitation.

(b) Prohibition. Section 1656 of the National Defense Authorization Act for Fiscal Year 2018 (Pub. L. 115-91) prohibits agencies from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) Procedures. The Offeror shall review the list of excluded parties in the System for Award Management (SAM) at https://www.sam.gov for entities that are excluded when providing any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless a waiver is granted.

(d) Representation. If in its annual representations and certifications in SAM the Offeror has represented in paragraph (c) of the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does" provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual

instrument, then the Offeror shall complete the following additional representation:

The Offeror represents that it [ ] will [ ] will not provide covered defense telecommunications equipment or services as a part of its offered products or services to DoD in the performance of any award resulting from this solicitation.

(e) Disclosures. If the Offeror has represented in paragraph (d) of this provision that it "will provide covered defense telecommunications equipment or services," the Offeror shall provide the following information as part of the offer:

(1) A description of all covered defense telecommunications equipment and services offered (include brand or manufacturer; product, such as model number, original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable).

(2) An explanation of the proposed use of covered defense telecommunications equipment and services and any factors relevant to determining if such use would be permissible under the prohibition referenced in paragraph (b) of this provision.

(3) For services, the entity providing the covered defense telecommunications services (include entity name, unique entity identifier, and Commercial and Government Entity (CAGE) code, if known).

(4) For equipment, the entity that produced or provided the covered defense telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known).

Evaluation-Commercial Products and Commercial Services (Feb 2026) (Deviation 2026-O0038)

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

(1) Experience. The offeror will be evaluated on the experience in operation of grist mills, public relations including courtesy and oral communication, and knowledge/experience dressing mill stones.

(2) Past Performance. The offeror will be evaluated on their past performance. The Government may contact some of the references that are provided in the offeror's resume and information obtained from other sources.

(3) Price. The importance of price is approximately equal to Factors 1 and 2 combined.

(b) *Options*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

(c) *Notice of award*. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

PERFORMANCE WORK STATEMENT

OPERATION AND INTERPRETATION OF MILL SPRINGS MILL

1. GENERAL: The Contractor shall furnish all transportation, insurance, equipment, management, labor, materials and supplies (except those listed under the Government Furnished Property list) to perform milling and interpretive services at Mill Springs Mill, Lake Cumberland, Kentucky. The Mill shall be open, and MAY HAVE operational specific days, May thru September. See the attached schedule for de-winterization, open, and winterization specific dates. Mill Springs Mill is located approximately 15 miles from Somerset and 5 miles from Monticello on Highway 1275 in Wayne County, Kentucky.

2. DESCRIPTION: The existing Mill Springs Mill was constructed in the 1830's and consists of a mill structure, milling machinery, French burr stones for grinding corn, and many control mechanisms for operation of the waterwheel, stone adjustments, and corn meal production. The entirety of the structure is listed in the Register of Historic Places. Each item is of historic significance to the Mill Springs Park, and shall be interpreted, operated, and maintained with the utmost care and precision. The U.S. Army Corps of Engineers reserves the right to order a milling stoppage order if Corps employees deem the mill is being operated in an unsafe manner or in a manner which would cause harm to the public or the mill. There is no reimbursement or change in pay whether the mill is physically operated.

3. GOVERNMENT FURNISHED PROPERTY.: The U.S. Army Corps of Engineers will furnish to the Contractor the following listed materials, supplies, property, or services (hereinafter referred to as "Government Furnished Property").

a. audio visual equipment

b. extension cords

c. mill and Lake Cumberland brochures

d. telephone

e. historically accurate milling tools

f. flags (U.S. and U.S. Army Corps of Engineers)

g. belt repair material

h. corn (the corn will be provided by the Monticello Woman's Club)

i. lubricants (oil and grease)

j. portable air conditioner

4. WORK TO BE PERFORMED: The mill shall be open from 9:00 AM to 5:00 PM, Eastern Time. Days open may include Fridays, Saturdays, Sundays and holidays

(Memorial Day Weekend, July 4th Independence Day Weekend, Juneteenth, National Independence Day Weekend, and Labor Day Weekend). Dates of operation shall be identified in the attached schedule. As referred to above, the Contractor shall also be responsible for initial opening (de-winterizing) and closing (winterizing) of the Mill. As part of the opening of the mill, the miller MAY grind 300 pounds of clean mill for the Monticello Woman's Club. The operator/interpreter shall be on duty during all open hours. HOWEVER, the Corps will advise the Miller whether for safety purposes, the mill will not grind.

a. Experience. The operator (miller) shall demonstrate to the Government, proficiency in the operation of the mill, including waterwheel and stone revolutions, prior to beginning work. The mill operator shall be proficient in milling operations and associated mechanical equipment. This will be made evident by past work record and personal interview in addition to demonstrated proficiency. The operator/interpreter will be provided training, by Government personnel, on the history of the mill. The Government reserves the right to reject any operator candidate or interpreter who, in the assessment of the Government Representative(s), does not have the ability to safely or effectively operate the mill or who does not project a positive image. The operator/interpreter shall not operate any machinery without supervision until s/he is determined to be acceptable by the Government and notified in writing of this determination. The operator/interpreter must have skill in meeting the public and explaining the mill's operation and history. Interpretation is a key skill needed in this performance work statement.

(1) Operator. The operator shall be on duty on weekends and holidays during open hours. The stones and mill may be operated dry, with the stones separated, throughout the day, so that visitors can see the mill and water-wheel in operation. In addition, on each Saturday, Sunday, and holiday, starting Memorial Day Weekend and ending Labor Day Weekend, a corn grinding demonstration may be conducted at 2:00 pm Eastern Time. Prior to starting the demonstration, all visitors shall be warned of the dangers of being near the machinery. Some scheduled grindings shall be conducted to provide the Monticello Woman's Club with meal. The operator shall be responsible for sharpening stones. The operator shall clean all equipment, including stones, prior to the grinding season and for storage during the off-season.

(2) Interpreter. Tours shall be given at the beginning of the day and every one-half hour thereafter if there is a visitor desiring a tour. If visitors arrive after the tour starts or between the designated tour times they may be informed tactfully when the next tour will start. During periods of low visitation, visitors shall be accommodated when they arrive whenever possible. No visitor shall be permitted to tour the third floor. (Visitors shall be permitted to do a self-guided tour of the building without a guide, however, the third floor is not permitted per the State Fire Marshall). Objectives to be met by the interpretive program are (a) to generate an appreciation for the cultural heritage of the mill, and an understanding of why it has been preserved and restored, (b) to offer, assistance in learning of the operation of the mill, (c) to interpret the role this area

played in Civil War history and culture; specifically the Battle of Mill Springs (Logan Crossroads), and (d) to support the objectives for the overall interpretive program at Lake Cumberland and tell the story of the Corps. The interpretation will reveal how the Corps is a steward of national history. The Operator may interact with members of the Mill Springs Battlefield National Monument in an effort to interpret the broader story. National Park Service employees may interpret at the Mill. The Miller may not leave the premises of the Mill Springs Mill Recreation Area.

During periods in which the Mill is undergoing maintenance, stabilization, or major rehabilitation activities, the Operator/Interpreter shall incorporate interpretation of the ongoing construction and preservation work into the visitor experience. This includes explaining the role of millwrights, preservation specialists, and associated trades; the methods and materials being used; and the importance of such work in maintaining the historical integrity and continued operation of the structure. The Operator/Interpreter shall remain adaptable in delivering interpretive services within the broader Mill Springs Mill Recreation Area. In the event that access to the Mill structure is restricted for safety, construction, or other operational reasons, the Operator/Interpreter shall continue to provide interpretive services at alternate locations within the recreation area, ensuring continuity of visitor engagement and interpretation of the site's historical, cultural, and natural resources.

b. Housekeeping. Cleaning and maintenance equipment such as vacuums, brooms, and cloths shall be stored in the office area when not in use. Flammable substances shall be stored on site in a fireproof cabinet provided by the government during on-duty hours. Oily and/or grease soiled cloths and spent flammable substances shall be properly disposed of off-site at the end of each workday, and shall not be left on site unattended or overnight. Flammable substances, oil and grease shall not be left on site overnight. The porch area and first and second floors of the mill shall be swept daily. The third floor shall be swept monthly. All display cases, artifacts, and equipment shall be dusted daily. The area shall be dusted immediately after each grinding demonstration. All wood handrails and posts along the stone walk, bridge rails and deck, and other wood exposed to rain or spray from wheel shall be treated with wood preservative once per season. The area under the mill shall be kept free of litter and debris. (The Contractor shall also check the cannon display once a day, in the afternoon, to ensure vandalism has not occurred). The Contractor shall be responsible for securing the mill building and wheel at the end of each workday.

c. Dress/Clothing. The operator/interpreter shall wear moderate clothing or "blue collar" clothing. Period clothing is permissible and not required. The Contractor shall wear a nametag which meets U.S. Army Corps of Engineers identification standards. If a jacket is worn, it must match the uniform pants and appropriate identification, or nametag will be worn on the jacket. The miller may wear coveralls during greasing and cleaning operations. Regardless of the clothing selected, all clothing will be kept clean,

professional, and orderly. Clothing shall never be used for any messaging of any type or kind.

d. Health Department Standards. Corn and corn meal shall be handled and ground in a manner to meet health department standards; corn meal shall not be represented as edible and is a souvenir only.

e. Only approved motorized vehicles shall be permitted to take corn to the mill for grinding or return ground corn meal from the mill. The Monticello Woman's Club will provide the corn necessary for grinding. Contractor shall be responsible for coordinating with the Woman's Club to ensure an adequate supply of corn and for getting corn from the parking lot to the mill and the ground meal back to the Woman's Club.

OPERATIONAL STARTUP:

ALL of the following will be completed whether operating or not:

Operational startup includes, and is not limited to: cleaning of the grinding area, including stones, corn and mill shoots, whole corn storage area, mill storage area, stone boxes, etc.; clearing of the water wheel, flume, water diaphragm, water holding areas, etc.; cleaning the office area, entrance area, all public access areas within mill and exterior walkways; lubrication of all moving parts; setting and priming of the grinding stones, etc.

SHUTDOWN, WINTERIZATION AND OTHER MAINTENANCE TO INCLUDE (NOT EXHAUSTIVE)

SOME of the following may be completed if not operating:

a. Check and correct any and all shaft and coupling misalignments, both angular and parallel by measurement, gauge, and vibration metering. Operating only.

b. Identify and correct soft foot. Operating only.

c. Identify and correct shaft runout. Operating only.

d. Clean dirty belts.

e. Regrease bearings, chain drives, and ball bearing motors as appropriate.

f. Correct belt slips using correct alignment of shafts and couplings (see a.). Operating only.

g. Keep belts dressed, tight, and maintain belt guards.

h. Lift and clean millstones, top, and bottom bushing as needed or every 30 days.

i. Inspect grain storage cans for pests. If positive, notify Resource Manager.

j. Daily grease all bushings and alemite fittings in the morning prior to grinding operations. Operating only.

k. Daily grease the main shaft in the morning prior to grinding operations. Operating only.

l. Daily sweep all floors and steps.

m. Clean out around the corn cleaner, and the elevator after grain is run.

n. .Lubricate all gears and moving parts with waterproof grease. Operating only.

o. Use motor oil and cotton balls in the oil cups.

p. Report any needs for fungicides, fumigation or aeration needs, especially in the hot summer months.

q. Always be on the look out for vibration, hot motors or bearings.

r. Upon the end of the season, ensure that the fire system building is heated.

t. After the last grinding, ensure millstones are clean and left in a manner that prevents mildew grout.

OPERATIONAL SPECIFICATIONS:

a. **The 40 ft. overshot waterwheel shall not be operated in excess of two and one half (2 l/2) revolutions per minute.** The waterwheel shall be secured by means of a chain and padlock (provided by the Corps) while not in operation.

b. The millstones shall be packed with cornmeal prior to operating and in no case shall stones be run dry. This is different than running the stones in a separated manner such that the stones do not touch while turning. The Contractor shall furnish all cornmeal and grain to pack millstones for initial grinding. (Corn shall be furnished to pack the millstones for initial grinding). At the beginning and end of the corn grinding season, the runner stone shall be lifted and all meal, corn, and grain particles and other debris removed by vacuum cleaning. After cleaning, stone shall be returned to original operational position and covered to prevent dust and rodents from coming in contact with stones. Surfaces that corn or cornmeal come in contact with such as storage areas, slides, boxes, etc. shall also be cleaned and vacuumed at the beginning and end of the corn grinding season.

c. Required service to bearings, gears, belts, and moving parts shall be performed by the miller prior to operation to assure optimal operation and minimal wear and tear on the Mill and each of its parts. This includes, but is not limited to lubricating, adjusting, operation, etc. of all moving parts. No excess oil or grease shall be permitted to disfigure structure or cause a fire hazard or safety hazard to employees or visiting public.

d. There shall be no modifications made to structure or machinery. **No smoking or fire of any kind shall be allowed in the building or within 50’ of the mill building.** All deficiencies of grounds, building, and equipment shall be reported to Government

Representative(s) immediately. (Burned out light bulbs shall be reported to the maintenance line immediately). Tools, materials, supplies, etc. shall not be left in walkways or on steps where they could cause injury to employees or visiting public. No item shall be removed or taken from grounds or building as a souvenir. Walks and steps shall be kept free of dirt, rocks, sticks, leaves, grass, and other debris during visitor hours. No food or beverage is permitted in the mill building. The government will not be responsible for Contractor's tools, equipment, and supplies.

e. **Smoking or other tobacco products, or e-cigarettes will not be allowed in government buildings, or within 50' of government buildings.**

f. The Contractor will not consume or be under the influence of alcoholic beverages, illicit drugs and/or medication. Doctor's prescription(s) are permissible only if the prescription poses no risk to operational and interpretive safety. The Contractor will not smoke, use tobacco products, or eat lunch while working. while in view of the public. This includes, and is not limited to the park area, mill structure, restrooms, and parking lot.

g. The Contractor will maintain exceptional communications and relations with the public, other contractors, volunteers, and Corps employees, and others who work with the Corps of Engineers for the construction of new facilities, repair of existing facilities, sanitation services, trash pick-up services, and grass mowing, etc. The Contractor will allow Corps employees to utilize communication facilities furnished by the Government. Cooperation will include, but not be limited too summoning assistance and reporting all instances of vandalism, harassment, public intoxication, speeding, etc. to proper authorities. The Contractor will diligently attempt to provide for the needs of our visiting public as public relations representatives for the Corps of Engineers.

h. The Contractor will keep lost and found articles in the mill office and turn over all found articles with as much information as possible to a Park Ranger as soon as possible.

i. The Contractor will be required to return Government property on the last day of the contract. The Contractor will be held liable for any missing or damaged government equipment or materials. Telephone equipment provided by the government is for official use only. Final payment will not be paid until all Government property is returned.

j. The Contractor shall be responsible for restoring any Government facilities, structures, or trees damaged as a result of his/her operation. The Contractor shall also be responsible for any damage to private property, and will notify the representative and/or Natural Resources Manager immediately of damage to Government property and/or private property, and injury to any person resulting from his/her operation. The Contractor will notify the representative and/or Natural Resources Manager immediately of damage to Government facilities due to vandalism or other causes on the day such damage is first noticed.

k. No payment will be made for time not worked. The representative and/or Natural Resources Manager should be contacted and given as much advance notice as possible about anticipated absences. The representative and/or Natural Resources Manager must approve all absences in advance. An absence without prior approval by the representative and/or Natural Resources Manager, is grounds for dismissal of the Contractor and termination of the contract. If arrangements will be made for someone to cover the shift, these persons must be approved in advance and must meet the contractual requirements herein. This PWS includes operation, interpretation, and both functions may happen simultaneously and independently. Interpretation is always required, even absent operation.

l. Payment will be made monthly by Electronic Funds Transfer (EFT) for the actual days worked at the unit price indicated on the bid sheet. **Contractor should be aware that the payment could take as long as 45 days after invoice.** All monthly invoices will be sent to 855 Boat Dock Rd, Somerset, KY 42501, Attn: Mill Springs Mill Contract, and the Corps of Engineers will assure payment process.

m. Failure of the Contractor to provide items in full and to provide complete services listed in the contract specifications and applicable specific park sheets may be grounds for termination. Breach of contract and/or voluntary termination of contract without sufficient cause may jeopardize the Contractor's standing for future contract with the U.S. Army Corps of Engineers. Contractors may be terminated if the Government determines services are no longer needed due to unforeseen closures of the park or if major facilities fail.Miller services may no longer be needed due to unforeseen closure of the park. Unforeseen closures would include those resulting from droughts, flood, storm damage, infrastructure failure and previously unknown safety hazards. Inappropriate conduct or unacceptable actions of the Miller may be grounds for termination of the contract. Examples of actions meriting termination include, and are not limited to:

(1) Theft, misappropriation, personal use of government services, property, equipment, facilities and/ or supplies. Any of these acts may also result in criminal prosecution.

(2) Consumption of alcoholic beverages and/or intoxication while on duty, and possession or use of illicit drugs at any time.

(3) Discrimination, harassment, profanity, or other inappropriate behavior perpetrated against customers, visitors, Corps personnel, or other contractors.

(4) Recurring written and/or verbal complaints from visitors or personnel on Miller's attitude, lack of cooperation and/or resistance to implementation of policies and program as directed by the Resource Manager or his/her authorized representative.

(5) Violations of public health and safety, including and not limited to smoking or tobacco use in the mill.

(6) Failure to maintain a neat, clean, well-groomed personal appearance.

5. DAILY INSPECTIONS: Each day of operation, the Contractor shall walk the area around and within the mill prior to opening. Inspections shall be made for maintenance needs, potential security issues, occurrences of vandalism, etc. All noted items shall be reported to the Government Representative(s) or a ranger the morning the inspection in made. An inspection shall be made of the mill each evening after closing to assure the mill is unoccupied and all windows and doors are locked and secure.

6. TERMINATION: Either party may immediately terminate this contract for cause by written notification to the other party with a two-week's notification.

a. The Contractor's failure to comply with contract specifications may be grounds for suspension or debarment for a period of time not to exceed 3 years. Acceptance of the contract shall be evidence of such knowledge, approval, or acquiescence of all contract specifications.

7. DAMAGES: During the period of this contract, the Contractor shall be responsible for all injuries or damages of any nature caused or contributed to by the Contractor, his/her agents, and/or employees while engaged in work under this Contractor.

8. INSURANCE: The Contractor is responsible for obtaining and paying for any insurance desired, including but not limited to, medical, general liability, and comprehensive property. The Contractor may be responsible for damage to private or government property if in the opinion of the Contracting Officer or his designated representative the damage is a result of Contractor negligence.

9. ANTI-TERRORISM/ OPERATIONS SECURITY: contract requirements are as follows.

General: The security requirements described below apply to all contract personnel (including employees of the prime Contractor ("Contractor") and all subcontractor employees) supporting the performance requirements of this contract. The Contractor is responsible for compliance with these security requirements. Questions regarding security matters shall be addressed to the designated Government representative (e.g., Contracting Officer Representative (COR), Requiring Activity (RA) representative, or Contracting Officer (if a COR or other RA representative is not appointed)). Contract personnel are critical to the overall security and safety of US Army Corps of Engineers (USACE) installations, facilities and activities, and security awareness training contributes to those efforts. The Department of Defense (DoD) and Army security training requirements specified below, if applicable, are performance requirements; all applicable contract personnel shall complete initial training within 30 days of contract award or the date new contract personnel begin performance on the contract. Within five business days from the completion of training, the Contractor shall provide written documentation (e.g., email or memorandum) to the Government representative. The documentation shall include the names of contract personnel trained and which training

they completed; the Contractor shall maintain training records as part of their contract files and be prepared to provide copies of training certificates to the Government representative. Contractor personnel and vehicles are subject to search when entering federal installations. Additionally, all contract personnel shall comply with Force Protection Condition (FPCON) measures, Random Antiterrorism Measures (commonly referred to as “RAMs”), and Health Protection Condition (HPCON) measures. The Contractor is responsible for meeting performance requirements during elevated FPCON and/or HPCON levels in accordance with applicable RA plans and procedures—this includes identifying mission essential and non-mission essential personnel. In addition to the changes otherwise authorized by the changes clause of this contract, should the FPCON or HPCON levels at any individual facility or installation change, the Government may implement security changes that affect contract personnel. The Contractor shall ensure all contract personnel are aware of their security responsibilities, including any site-specific requirements identified in local policies or procedures.”

Physical security and access control requirements: All contract personnel requiring physical access to a federal installation or facility shall comply with the access control procedures of that location. Contract personnel requiring unescorted access to meet contract performance requirements on a DoD installation in the US shall be vetted by the installation/facility Provost Marshal/Directorate of Emergency Services/Security Office using the National Crime Information Center-Interstate Identification Index (commonly referred to as “NCIC-III”) and Terrorist Screening Database (commonly referred to as “TSDB”). Contract personnel shall comply with all personal identity verification requirements specified in installation/facility policies and procedures. Contract personnel who do not meet requirements for unescorted access to USACE facilities shall coordinate escorted access with the Government representative, as needed. Contract personnel who receive keys, access cards, or lock combinations that provide access to government-owned property shall comply with key and lock control procedures of the RA.

Pre-screen candidates using E-Verify Program: Contractors shall comply with the requirements set forth in FAR clause 52.222-54 Employment Eligibility Verification and FAR Subpart 22.18 in using the E-Verify Program at (https://www.e-verify.gov/) (website subject to change) to meet the contract employment eligibility requirements. Contractors are encouraged to cooperate with Federal and State agencies responsible for enforcing labor requirements to include eligibility for employment under United States immigration laws in accordance with FAR 22.102-1(i). An initial list of verified/eligible candidates shall be provided to the COR no later than three business days after the initial contract award. When contracts are with individuals, the individuals will be required to complete a Form I-9, Employment Eligibility Verification, and submit it to the Contracting Officer to become part of the official contract file.

Suspicious Activity Reporting training (e.g. iWATCH, CorpsWatch, or See Something, Say Something): All contract personnel shall receive initial and annual refresher training

from the RA representative on the local suspicious activity reporting program. This locally developed training provides contract personnel with general information on suspicious behavior, and guidance on reporting suspicious activity to the project manager, security representative or law enforcement entity. The contractor and all associated sub-contractors shall receive training on the local Suspicious Activity Reporting Program. This training identifies behavioral indicators and provides guidance reporting suspicious activity. This training shall be completed within 30 calendar days of contract award and within 30 calendar days of new employees commencing performance with the results reported to the COR NLT 5 calendar days after the completion of the training. The iWatch training for contractors is available on the Nashville District Public Website:

ADJECTIVE RATINGS AND DEFINITIONS TO BE USED TO BEST REFLECT YOUR EVALUATION OF THE CONTRACTOR

RATING	DEFINITION	NOTE
(E) Exceptional	Performance meets contractual requirements and exceeds many to the Government/Owner's benefit. The contractual performance of the element or sub-element being assessed was accomplished with few minor problems for which corrective actions taken by the contractor was highly effective.	An Exceptional rating is appropriate when the Contractor successfully performed multiple significant events that were of benefit to the Government/Owner. A singular benefit, however, could be of such magnitude that it alone constitutes an Exceptional rating. Also, there should have been NO significant weaknesses identified.
(VG) Very Good	Performance meets contractual requirements and exceeds some to the Government's/Owner's benefit. The contractual performance of the element or sub-element being assessed was accomplished with some minor problems for which corrective actions taken by the contractor were effective.	A Very Good rating is appropriate when the Contractor successfully performed a significant event that was a benefit to the Government/Owner. There should have been no significant weaknesses identified.
(S) Satisfactory	Performance meets minimum contractual requirements. The contractual performance of the element or sub-element contains some minor problems for which corrective actions taken by the contractor appear or were satisfactory.	A Satisfactory rating is appropriate when there were only minor problems, or major problems that the contractor recovered from without impact to the contract. There should have been NO significant weaknesses identified. Per DOD policy, a fundamental principle of assigning ratings is that contractors will not be assessed a rating lower than Satisfactory solely for not performing beyond the requirements of the contract.

(M) Marginal	Performance does not meet some contractual requirements. The contractual performance of the element or sub-element being assessed reflects a serious problem for which the contractor has not yet identified corrective actions. The contractor's proposed actions appear only marginally effective or were not fully implemented.	A Marginal is appropriate when a significant event occurred that the contractor had trouble overcoming which impacted the Government/Owner.
(U) Unsatisfactory	Performance does not meet most contractual requirements and recovery is not likely in a timely manner. The contractual performance of the element or sub-element contains serious problem(s) for which the contractor's corrective actions appear or were ineffective.	An Unsatisfactory rating is appropriate when multiple significant events occurred that the contractor had trouble overcoming and which impacted the Government/Owner. A singular problem, however, could be of such serious magnitude that it alone constitutes an unsatisfactory rating.

QUOTE INSTRUCTIONS FOR Mill Springs Mill Operator and Interpretive Services

1. **DESCRIPTION OF SERVICES:** This service is a 100% set-aside for Small Business (SB) to furnish all transportation, insurance, equipment, management, labor, materials and supplies (except those listed under the Government Furnished Property list) to perform milling and interpretive services at Mill Springs Mill. The mill shall be open and operational predetermined days in accordance with the attached schedule.

2. **TYPE OF CONTRACT:** The Government intends to award a Firm-Fixed Price Service Contract under NAICS code 712120, Historical Sites (size standard: $13.0M).

3. **BASIS FOR SELECTION OF AWARD:** Award shall be made to the lowest priced offeror who is determined to be responsible. An offeror is deemed responsible based on past performance record. The Mill Operator shall be proficient in milling operations and associated mechanical equipment.

In accordance with FAR 52.217-5, Evaluation of Options, the Government intends to evaluate offers for award purposes by adding the total price of the options to the total price of the basic requirement. Evaluation of options will not obligate the Government to exercise the option(s).

4. **PLACE OF PERFORMANCE:** Mill Springs Mill, Lake Cumberland, Kentucky. Mill Springs Mill is located approximately 15 miles from Somerset and 5 miles from Monticello on Highway 1275 in Wayne County, Kentucky.

5. **PERIOD OF PERFORMANCE:** The contract awarded from this solicitation will be for one (1) base year (2026 season), and three (3) option years (2027-2029 seasons) – for a total of a four (4) year contract award.

6. **SITE VISIT:** Offerors are urged and expected to inspect the site where services are to be performed and to satisfy themselves regarding all general and local conditions that may affect the cost of the contract performance.

7. **QUESTIONS:** Questions can be submitted to Jamie Lynn Barnes and Andrew Roth via email at jamie.l.barnes@usace.army.mil and andrew.r.roth@usace.army.mil.

Phone calls or requests to arrange meetings at the Nashville District during the solicitation period to discuss project requirements or company's capabilities are highly discouraged and will not be allowed.

8. **QUOTE SUBMISSION:** All quotes shall be submitted electronically via email to both Andrew Roth and Jamie Lynn Barnes at andrew.r.roth@usace.army.mil and jamie.l.barnes@usace.army.mil.

a) The quote shall include the following elements to be considered for award:

(1) SF 1449: Filled out by the vendor for: Block 17a, Block 17b (if applicable), Block 30a, Block 30b, and Block 30c

(2) Acknowledge all SF30s, Amendment of Solicitation (if applicable).

(3) Price: Complete and sign the "Price Schedule"

(4) Past Performance Questionnaire: Provide completed Past Performance Questionnaire

(5) In accordance with FAR 52.204-7, System for Award Management, registration is required in the System for Award Management (SAM) database located at www.sam.gov. More specifically, "An Offeror is required to be registered in SAM when submitting an offer or quotation and shall continue to be registered until time of award, during performance, and through final payment of any contract, basic agreement, basic ordering agreement, or blanket purchasing agreement

resulting from this solicitation." (See FAR 52.204-7(b)(1)). Contractors must be registered in the System for Award Management (SAM) database (www.sam.gov) to receive an award.

For SAM Customer Service, contact:

Federal Service Desk

US Calls: 866-606-8220
International Calls: 334-206-7828
DSN: 866-606-8220

IMPORTANT NOTICE: Effective June 29, 2018, vendors creating or updating their registration can have their registration activated prior to the approval of the required notarized letter. However, the signed copy of the notarized letter must be sent to the GSA Federal Service Desk (FSD) within 30 days of activation, or the vendor risks no longer being active in SAM.

Vendors can check whether an account is active by performing a query by their CAGE or Unique Entity Identifier.

The new registration process may now take several weeks, so vendors are highly encouraged to begin registering as soon as possible to avoid any possible delays in future contract awards. Remember, there is no cost to use SAM.

To find out additional information about the changes of the SAM registration process, contractors should visit the Frequently Asked Questions (FAQ) link located at the top of the SAM homepage (www.sam.gov).

(5) Contractors shall have representations and certifications completed in www.sam.gov OR provide completed paragraphs in FAR 52.212-3 Alternate 1 (Annual Representations and Certifications) found in the “Clauses Section” of this solicitation. If completing the aforementioned clause, provide with submitted quote.

(6) Provide business Unique Entity Identifier Number: _____

(7) Provide business CAGE code: _____

(8) Tax Identification Number: _____

9. **APPARENT SUCCESSFUL OFFEROR:** The following may be requested from the apparent successful offeror prior to actual award of the contract:

A minimum of one (1) banking reference for their firm and a minimum of three (3) past performance references for similar contracted work.

(1) The banking reference should include the financial institution’s legal name, complete physical address, a point-of-contact (POC) at the financial institution, the POC’s telephone number, and email address.

(2) The past performance references should include firm’s name, the contract number, the contract period of performance and/or contract completion date, the contract’s aggregate value, a brief description of the project, a POC, the POC’s telephone number, and email address.
