Offered space must meet Government requirements for fire safety, accessibility, seismic, and sustainability standards per the terms of the Lease. Offered space shall not be in the 1-percent-annual chance floodplain (formerly referred to as [“100-year”] floodplain).

Entities are advised to familiarize themselves with the telecommunications prohibitions outlined under Section 889 of the FY19 National Defense Authorization Act (NDAA), as implemented by the Federal Acquisition Regulation (FAR). For more information, visit: *https://acquisition.gov/FAR-Case-2019-009/889_Part_B.*

Expressions of interest must Include.

1. Building name and address;
2. Contact information and e-mail address of offeror’s representative;
3. ABOA SF and rentable square feet available, identifying the specific floors and square footages;
4. Asking rental rate per ABOA SF and RSF inclusive of a standard GSA warm-lit shell
5. Operating costs per ABOA SF and RSF;
6. Submission by anyone other than the owner or manager of a property must be accompanied by written consent from the ownership granting authority to the representative in providing the information to the Government.

The U.S. Government currently occupies office and related space in a building under an on airport lease in Show Low, AZ, that will be expiring. The Government is considering alternative space if economically advantageous. In making this determination, the Government will consider, among other things, the availability of alternative space that potentially can satisfy the Government's requirements, as well as costs likely to be incurred through relocating, such as physical move costs, replication of tenant improvements and telecommunication infrastructure, and non-productive agency downtime.
