This is a special notice prepared in accordance with the Revolutionary FAR Overhaul (RFO) Federal Acquisition Regulation (FAR) 5.1 "Pre-solicitation Notice" for Commercial Simplified Acquisition in accordance with FAR 12.201-1(c)(2). In accordance with Revolutionary FAR Overhaul FAR 12.201-1(c)(2), the Government may solicit quotations directly from suppliers for this acquisition at or below the simplified acquisition threshold.

Naval Surface Warfare Center Carderock Division (NSWCCD) intends to award a firm fixed price (FFP) purchase order using Simplified Acquisition Procedures that meets the specifications outlined below. This solicitation is set aside for small business This announcement constitutes the only solicitation, and a written solicitation will not be issued. Quotes are being requested under reference no. N00167-26-SIMACQ-CD-65-0027. Quotes are to be priced FOB Destination; separate shipping charges are not permitted.

All responsible sources may submit a quote, which will be considered by the agency if received by the due date below.

The Point of Contact for this acquisition is Kylie Cox, at kylie.l.cox2.civ@us.navy.mil

The NAICS code is **541330- Engineering Services**

The business size standard is **$25.5 Million**

CMMC Level: **Level 1**

Specifications: Naval Surface Warfare Center, Carderock Division (NSWCCD) Code 653 requires specialized Non-Destructive Testing (NDT) inspection services to support recertification of the 13-foot diameter multi-layer pressure vessel located in A-bay of Building 19 West Bethesda facility. There are concerns of corrosion in the outer layers of the vessel's lower hemisphere, but this section is encased in asphalt and rests on a concrete foundation so it's externally inaccessible. This award is to be made on a Sole Source Basis.

CLIN	Description	Quantity
0001	Base Requirement: Guided Wave Evaluation of the 13ft Test Chamber	1
1001	(OPTION 1): Acoustic Emission Evaluation	1
1002	(OPTION 2): Additional Data Collection	1

Performance Work Statement (PWS) Attached

Sole Source Justification (SSJ) Attached

The Government has determined that an award will be made to the responsible Quoter whose technically acceptable quote is considered to be the most advantageous to the Government, past performance and price considered. The Government intends to evaluate all timely quotes received from eligible quoters. The Government intends to evaluate quotations and award a contract without discussions with quoters.

Evaluation Factors

1. **Technical –** All quotations will be evaluated on a pass/fail basis to determine if the proposed product(s) clearly meet the minimum technical requirements outlined in the Performance Work Statement / salient characteristics. Quotations that do not meet the minimum requirements will be rated "Unacceptable" and will not be considered further.
2. **Past Performance** – Past Performance will be evaluated via SPRS, SAM, FAPIIS, and other sources.
3. **Price –** The price of all technically acceptable quotations will be evaluated for reasonableness. Award will be made to the vendor with the most advantageous evaluated price among the technically acceptable quotations.
