QUOTATION SUBMISSION: 12

SALIENT CHARACTERISTICS FOR BRAND NAME OR EQUAL: CAMPBELL SCIENTIFIC CR310-CELL210 DATALOGGER

The following are the minimum specifications for 18 Brand Name or Equal: Campbell Scientific CR310-Cell210 Dataloggers:

General datalogger characteristics (base unit)

- Multi-purpose, compact measurement and control datalogger suitable for long-term remote monitoring and control of hydrological, meteorological, environmental, and industrial sensors.
- Integrated 10/100 Ethernet port and USB Micro-B port for configuration and communications.
- RS-232 serial port for sensor and peripheral communications.
- Removable terminal blocks for field wiring of sensors and power.
- Programmable instruction set supporting automated on-site or remote decision-making, control, and machine-to-machine communications.
- Supports measurement of both analog and digital sensors, including smart sensors using RS-232 or SDI-12 interfaces.
- Operates in non-condensing environments over a temperature range of −40 °C to +70 °C.
- Maximum scan rate of at least 10 Hz for measurement sequences.
- Powder-coated aluminum enclosure.
- Physical dimensions approximately 16.26 cm × 7.62 cm × 5.68 cm (6.4 in × 3.0 in × 2.2 in).*
- Weight between 288 g and 306 g (0.64 lb to 0.68 lb) depending on installed communications option.

Power and battery

- One switched 12 V terminal capable of powering sensors or communications devices with at least 1100 mA output at 20 °C.
- Charge input terminals accept 16 to 32 Vdc from external power converters or solar panels, with a hold current limit of 1.6 A at 20 °C.
- Battery input terminals accept 12 Vdc input from an external lead-acid battery (nominal 7 Ah typical) with a 1.6 A hold current limit at 20 °C.
- Integrated 12 V battery solar charge regulator for charging external batteries.
- Internal 3 V lithium coin-cell battery providing real-time clock backup with a life of approximately 6 years with no external power.

Measurement and I/O

- At least six analog input terminals that can be configured as six single-ended or three differential inputs.
- Analog input voltage measurement ranges from −100 mV to +2500 mV, plus a ±34 mV low-range option, using a 24-bit ADC.
- Supports 4–20 mA or 0–20 mA current inputs on at least two analog input terminals.
- Two sensor excitation or continuous-voltage output terminals providing 0.15 to 5 V for sensor excitation or control.

- Analog measurement accuracy of ±(0.04% of measurement + offset) over 0 °C to 40 °C, and ±(0.1% of measurement + offset) over −40 °C to +70 °C (excluding sensor and noise contributions).
- Minimum of eight pulse-counting inputs using designated pulse and general-purpose I/O terminals.
- Two pulse terminals supporting switch-closure input up to at least 150 Hz and high-frequency counting up to at least 35 kHz on one terminal and 20 kHz low-level AC/high-frequency on the other.
- Minimum of seven digital I/O terminals configurable for input or output, supporting status high/low, pulse-width modulation, external interrupts (on all but at least one terminal), and communications functions.
- Digital I/O on certain analog terminals using 3.3 V logic levels for high-frequency counting (up to 35 kHz), period averaging (up to 200 kHz, amplitude-dependent), pulse-width modulation, interrupts, and timer input.
- Two control terminals configurable for digital functions using 5 V output and 3.3 V input logic levels, supporting SDI-12, high-frequency counting (up to 3 kHz), switch-closure input up to 150 Hz, general status/control signals, interrupts, and serial asynchronous Tx/Rx.
- Integrated 5 V reference or logic output providing at least 10 mA at 3.5 V.

Data storage and processing

- At least 80 MB of non-volatile flash memory available for programs or operating system use.
- At least 30 MB of non-volatile flash memory available for data storage.
- Real-time clock with accuracy of ±1 minute per month.

Networking and protocols

- Supports core IP networking protocols including IPv4 and IPv6, ICMP/ping, DHCP or Auto-IP, DNS, UDP, TCP, and TLS v1.2.
- Supports application-layer internet protocols including HTTP/HTTPS, FTP/FTPS, NTP, Telnet, and email protocols (SMTP with TLS and POP3 with TLS) for data and alarm delivery.
- Supports multiple industrial and environmental communications protocols including PakBus-type routing, Modbus, DNP3, SDI-12, TCP, UDP, and others.
- Supports event-driven communications and physical outputs such as alarm notifications and control actions.
- Average idle current consumption of approximately 10 mA at 12 Vdc with Ethernet link idle; average active current of approximately 56 mA at 12 Vdc with Ethernet link and processor active.
- Integrated cellular modem using 4G LTE Category 1 technology.
- Cellular radio must operate exclusively on a network compatible with Verizon-type LTE services.
- Supports 4G frequency bands including 700 MHz, 850 MHz, 1700 MHz, 1900 MHz, and 2100 MHz.
- Uses an external antenna connected via SMA-type RF connector; antenna not required to be supplied by the same manufacturer as the datalogger.

- Uses a 3FF form-factor SIM interface (6-position/6-contact), supporting SIM cards that require 1.8 or 3 V.

52.252-2 CLAUSES INCORPORATED BY REFERENCE (FEB 1998)

This contract incorporates one or more clauses by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. Also, the full text of a clause may be accessed electronically at this/these address(es):

Clause	Title	Date
52.203-17	Contractor Employee Whistleblower Rights	Nov 2023
52.204-13	System for Award Management Maintenance	Oct 2018 (DEVIATION Mar 2026)
52.204-19	Incorporation by Reference of Representations and Certifications	Dec 2014
52.209-6	Protecting the Government's Interest When Subcontracting With Contractors Debarred, Suspended, Proposed for Debarment, or Voluntarily Excluded	Jan 2025 (DEVIATION May 2026)
52.209-10	Prohibition on Contracting with Inverted Domestic Corporations	Nov 2015 (DEVIATION May 2026)
52.212-4	Terms and Conditions—Commercial Products and Commercial Services	Oct 2025 (DEVIATION Mar 2026)
52.219-6	Notice of Total Small BusinessSet-Aside	Nov 2020 (DEVIATION Jan 2026) (15 U.S.C. 644)
52.219-28	Postaward Small Business Program Representation	Jan 2025 (DEVIATION JAN 2026) (15 U.S.C. 632(a)(2))
52.219-33	Nonmanufacturer Rule	Sept 2021 (DEVIATION Jan 2026)
52.222-3	Convict Labor	Jun 2003
52.222-19	Child Labor-Cooperation with Authorities and Remedies	Jan 2025 (DEVIATION May 2026)
52.222-36	Equal Opportunity for Workers with Disabilities	Jun 2020 (DEVIATION May 2026)
52.222-37	Employment Reports on Veterans	Jun 2020 (DEVIATION May 2026)

52.222-40	Notification of Employee Rights Under the National Labor Relations Act	Dec 2010
52.222-50	Combating Trafficking in Persons	Oct 2025 (DEVIATION May 2026)
52.222-54	Employment Eligibility Verification	Jan 2025 (DEVIATION May 2026)
52.223-23	Sustainable Products	May 2024 (DEVIATION May 2026)
52.226-8	Encouraging Contractor Policies to Ban Text Messaging While Driving	May 2024
52.232-33	Payment by Electronic Funds Transfer-System for Award Management	Oct 2018
52.232-39	Unenforceability of Unauthorized Obligations	Jun 2013
52.232-40	Providing Accelerated Payment to Small Business Subcontractors	Mar 2023
52.233-1	Disputes	May 2014 (DEVIATION May 2026)
52.240-91	Security Prohibitions and Exclusions	DEVIATION Mar 2026

52.252-6 AUTHORIZED DEVIATIONS IN CLAUSES (NOV 2020)

(a) The use in this solicitation or contract of any Federal Acquisition Regulation (48 CFR Chapter 1) clause with an authorized deviation is indicated by the addition of "(DEVIATION)" after the date of the clause.

(b) The use in this solicitation or contract of any *48 CFR, Chapter 14, Department of Interior Acquisition Regulation* clause with an authorized deviation is indicated by the addition of "(DEVIATION)" after the name of the regulation.

(End of clause)

52.222-90 ADDRESSING DEI DISCRIMINATION BY FEDERAL CONTRACTORS (APR 2026) (DEVIATION APR 2026)

(a) Definitions. As used in this clause—

Program participation means membership or participation in, or access or admission to: training, mentoring, or leadership development programs; educational opportunities; clubs; associations; or similar opportunities that are sponsored or established by the contractor or subcontractor.

Racially discriminatory diversity, equity, and inclusion (DEI) activities means disparate treatment based on race or ethnicity in the recruitment, employment (e.g., hiring, promotions), contracting (e.g., vendor agreements), program participation, or allocation or deployment of an entity's resources.

(b) In connection with the performance of work under this contract, the Contractor agrees as follows:

(1) The Contractor will not engage in any racially discriminatory DEI activities;

(2) The Contractor will furnish all information and reports, including providing access to books, records, and accounts, as required by the Contracting Officer, for purposes of ascertaining compliance with this clause;

(3) In the event of the Contractor's or a subcontractor's noncompliance with this clause, this contract may be canceled, terminated, or suspended in whole or in part, and the Contractor or subcontractor may be declared ineligible for further Government contracts;

(4) The Contractor will report any subcontractor's known or reasonably knowable conduct that may violate this clause to the Contracting Officer and take any appropriate remedial actions directed by the Contracting Officer; and

(5) The Contractor will inform the Contracting Officer if a subcontractor sues the Contractor and the suit puts at issue, in any way, the validity of this clause.

(6) The Contractor recognizes that compliance with the requirements of this clause are material to the Government's payment decisions for purposes of 31 U.S.C. 3729(b)(4).

(c) The Contractor must include the substance of this clause, including this paragraph (c), in subcontracts at any tier, including those for commercial products and commercial services, except those where the place of delivery or performance is outside the United States.

(End of clause)

GS0231 TECHNICAL LIAISON – TECHNICAL DIRECTION (JUL 2018)

The performance required herein shall be subject to the technical direction of the Technical Liaison (TL) as identified below. As used herein, "technical direction" is defined as direction to the contractor that fills in details, suggests possible lines of approach, or otherwise supplements the scope of the work set forth herein and shall not constitute a new assignment, and does not supersede or modify any article or clause of this contract.

(b) The Technical Liaison is not authorized to perform, formally or informally, any of the following actions:

(1) Promise, award, agree to award, or execute any contract, contract modification, or notice of intent that changes or may change this contract;
(2) Waive or agree to modification of the delivery schedule;
(3) Make any final decision on any contract matter subject to the Disputes Clause;
(4) Terminate, for any reason, the contractor's right to proceed;
(5) Obligate in any way, the payment of money by the Government. Only a warranted Contracting Officer is authorized to obligate funds on this or any other contract action.

(c) The contractor shall immediately notify the Contracting Officer in writing if the Technical Liaison has taken

an action (or fails to take action) or issues direction (written or oral) that the contractor considers to exceed the above limitations.

(d) The Technical Liaison assigned for this contract is: TBD at time of award

Telephone: [xxx]
Email: [xxx]
U.S. Geological Survey
Address and MS: [xxx]

(e) Only the Contracting Officer may designate a new Technical Liaison.

(End of Clause)

GS1101 CONTRACT ADMINISTRATION OFFICE. (JUL 2001)

a) Reports/data items to be provided hereunder shall be delivered in accordance with the following [delivery schedule and] distribution list:

U.S. Geological Survey
Denver Acquisition Branch
ATTN: Kekila Keuma
Email: KKeuma@usgs.gov
Telephone: (303) 236-9317

b) Communications to the Administrative Contracting Office shall make reference to the contract number and shall be emailed to the above address.

(End of Clause)

GS 1131 UNILATERAL DEOBLIGATION OF UNEXPENDED FUNDS (MAY 2013)

The contractor shall submit all invoices under the award no later than 90 calendar days after the period of performance has expired, unless a request for extension has been submitted to the Contracting Officer. After 120 days has passed since the expiration of the performance period, the government reserves the right to issue a unilateral modification deobligating any unexpended funds, and to initiate closeout procedures.

GS1338 NOTICE TO THE GOVERNMENT OF DELAYS. (JUL 2001)

In the event the contractor encounters difficulty in meeting performance requirements, or when it anticipates difficulty in complying with the contract delivery schedule or date, or whenever the contractor has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this contract, the contractor shall immediately notify the contracting officer and the COR (if one has been designated), in writing, giving pertinent details. This data shall be informational only in character. Notice under this provision shall not be construed as a waiver by the Government of any delivery schedule or date or of any rights or remedies provided by law or under this contract.

(End of Clause)

DOI-AAAP-0028 ELECTRONIC INVOICING AND PAYMENT REQUIREMENTS - INVOICE PROCESSING PLATFORM (IPP) (FEB 2021)

Payment requests must be submitted electronically through the U. S. Department of the Treasury's Invoice Processing Platform System (IPP).

"Payment request" means any request for contract financing payment or invoice payment by the Contractor. To constitute a proper invoice, the payment request must comply with the requirements identified in the applicable Prompt Payment clause included in the contract, or the clause 52.212-4 Contract Terms and Conditions - Commercial Items included in commercial item contracts. The IPP website address is: https://www.ipp.gov.

Under this contract, the following documents are required to be submitted as an attachment to the IPP invoice *[Contracting Officer to edit and include the documentation required under this contract]:*

The Contractor must use the IPP website to register access and use IPP for submitting requests for payment. The Contractor Government Business Point of Contact (as listed in SAM) will receive enrollment instructions via email from the Federal Reserve Bank of St. Louis (FRBSTL) within 3 - 5 business days of the contract award date. Contractor assistance with enrollment can be obtained by contacting the IPP Production Helpdesk via email IPPCustomerSupport@fiscal.treasury.gov or phone (866) 973-3131.

If the Contractor is unable to comply with the requirement to use IPP for submitting invoices for payment, the Contractor must submit a waiver request in writing to the Contracting Officer with its proposal or quotation.

(End of Local Clause)

PROVISIONS

52.252-1 SOLICITATION PROVISIONS INCORPORATED BY REFERENCE. (FEB 1998)

This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. The offeror is cautioned that the listed provisions may include blocks that must be completed by the offeror and submitted with its quotation or offer. In lieu of submitting the full text of those provisions, the offeror may identify the provision by paragraph identifier and provide the appropriate information with its quotation or offer. Also, the full text of a solicitation provision may be accessed electronically at this/these address(es): https://www.acquisition.gov/far/current/html/FARMTOC.html or https://www.acquisition.gov/far/

Provisions	Title	Date
52.204-7	System for Award Management	Nov 2024 (DEVIATION Mar 2026)
52.209-2	Prohibition on Contracting with Inverted Domestic Corporations-Representation	Nov 2015 (DEVIATION May 2026)

52.212-1	Instructions to Offerors—Commercial Products and Commercial Services	Sep 2023 (DEVIATION Mar 2026)
52.240-90	Security Prohibitions and Exclusions Representations and Certifications	DEVIATION Mar 2026

(End of Provision)

52.209-11 REPRESENTATION BY CORPORATIONS REGARDING DELINQUENT TAX LIABILITY OR A FELONY CONVICTION UNDER ANY FEDERAL LAW (MAY 2026)

(a) The Government will not enter into a contract with any corporation that—

(1) Has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, where the awarding agency is aware of the unpaid tax liability, unless an agency has considered suspension or debarment of the corporation and made a determination that suspension or debarment is not necessary to protect the interests of the Government; or

(2) Was convicted of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency is aware of the conviction, unless an agency has considered suspension or debarment of the corporation and made a determination that this action is not necessary to protect the interests of the Government.

(b) The Offeror represents that–

(1) It is □ is not □ a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability; and

(2) It is □ is not □ a corporation that was convicted of a felony criminal violation under a Federal law within the preceding 24 months.

(End of provision)

BASIS FOR AWARD

Award will be made to the lowest priced, technically acceptable offeror. The quote with the lowest price will be reviewed first and if that quote is found to be technically unacceptable, the next lowest quote will be reviewed and etc. To be considered technically acceptable, offeror shall provide technical brochures or specifications. These technical brochures or specifications must demonstrate the proposed equipment meets or exceeds all of the minimum characteristics listed above. All vendors must quote Authentic, Manufacturer certified/warranted products in original, intact manufacturer's packaging, no "Gray Market", counterfeit, used, or resale items shall be considered.

SELLER ATTACHMENTS

In addition, Sellers MUST include certain information: prices by line item, shipping costs shall be included in the quoted prices.

SAM REQUIREMENT

Offeror must be registered in SAM. If the offeror is not registered in SAM, it may do so through the SAM website at https://www.sam.gov/portal/public/SAM/

QUOTATION SUBMISSION:

Quote packages are to be received in the contracting office no later than 12:00 P.M. (MS) on July 10, 2026. Quotes are required to be submitted electronically via email to Kekila_keuma@ios.doi.gov. Do not mail your quote; only electronic quotes will be accepted. The Government reserves the right to cancel this solicitation at any time if necessary.
