BASIS FOR AWARD:

Quotes will be evaluated in accordance with RFO FAR 12.203 Evaluation. A single award will be made based on the Lowest Priced Technically Acceptable (LPTA) evaluation approach. (**Note: See RFO FAR 52.212-2 for evaluation criteria detailed herein**).

In accordance with RFO FAR 52.212-1(d), the Government intends to evaluate offers and award a contract without discussions with Offerors. Therefore, the Offeror's initial offer should contain the Offeror's best terms. However, the Government reserves the right to conduct discussions, if necessary. The Government may reject any or all offers if such action is in the public interest, accept other than the lowest offer, and waive informalities and minor irregularities in offers received.

To be considered technically acceptable, an offeror **MUST** demonstrate that they can meet the specifications provided in this combined synopsis/solicitation. The technical element of the evaluation will be based solely on information furnished by the vendor. The Government is not responsible for locating or securing any information which is not provided in the quote.

Technical and Past Performance will be evaluated on an acceptable/unacceptable basis.

Award will be made to the offeror with the lowest priced quote with an acceptable rating in the Technical factor and an acceptable (or Not Applicable (N/A)) rating in the Past Performance factor.

> *Offerors with no recent and relevant history in the Contractor Performance Assessment Reporting System (CPARS) will not receive an unacceptable past performance rating and will instead receive a Not Applicable (N/A).

A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
