DESCRIPTION

Notice of Intent to Award Sole Source

PLEASE READ THIS NOTICE CAREFULLY AS IT CONSITUTES THE ONLY NOTICE THAT WILL BE PUBLISHED.

I. The Network Contracting Office (NCO) 16, located at Galleria Financial Center, 5075 Westheimer Rd., Suite 750, Houston, Texas 77056, in support of Central Arkansas Veterans Healthcare System (CAVHS), intends to solicit and award a Sole Source, Firm-Fixed-Price contract to one (1) large business source, GE Healthcare.

GE Precision Healthcare LLC
3000 North Grandview Boulevard
Waukesha, WI 53188

CAVHS requires two (2) GE Flashpad Detectors. Currently in use is the GE Healthcare Discovery XR656. The detectors are failing and must be replaced.

Equipment Specifications:

A. Essential/significant physical, functional, or performance characteristics: the flashpad detectors must be compatible with the GE Healthcare Discovery XR656 System.

B. Minimum Requirements: The required flashpad detectors must be able to capture the radiation, which converts the object into a measurable signal or visible image.

C. Complete Identification: Flashpad detector (Part #53400-7)

II. The North American Industry Classification (NAICS) code for this acquisition is 339112 – Surgical and medical instrument manufacturing. The size standard is 1,000 employees.

III. This procurement is being conducted under Revolutionary FAR Overhaul (RFO) Federal Acquisition Regulation (FAR) Parts 12.102(a) Restricting Competition. This notice is not a request for quotes, but rather a notice of intent to sole-source.

IV. The anticipated award date is July 6, 2026. The Government intends to award a Firm-Fixed-Price contract.

V. Please note that this is not a request for competitive quotes and is being posted for information purposes only. The Government does not anticipate receiving responses to this notice. However, interested parties who disagree with this action may submit a letter of interest that demonstrates their firm's technical expertise, an original equipment manufacturer (OEM) authorization letter to sell/distribute OEM products. Interested vendors shall communicate how their product is compatible with the existing GE Healthcare Discovery System. Interested vendors shall communicate if

their product is domestic or non-domestic. The Government reserves the right to verify any request for additional documentation submitted.

VI. Late responses may not be accepted. No telephone inquiries will be accepted, nor will phone calls be returned. Only emailed responses will be considered. Information received will be used solely for determining whether to conduct competitive procurement. A determination not to compete with this proposed acquisition based upon response to this notice is at the sole discretion of the Government.
