Obtaining Solicitation Documents:

Solicitation documents will be posted to the web via SAM.gov (https://sam.gov).
Find solicitation announcement in SAM.gov (https://sam.gov).

1. Use the 'All Award Data' to locate the project by entering the solicitation number.
2. By using the 'login' feature, it allows additional search features and allows you to keep your searches. Login might be required on some solicitations that are considered restricted.
3. Once you have located your project, click on link to solicitation to view the project. Files may be downloaded from the column on the left side reading 'Attachments/Links'.

Note: Offerors please be advised that an online registration requirement in System for Award Management (SAM) database http://www.sam.gov/ exists and directed solicitation provisions concerning electronic annual Representations and Certifications on SAM. Representations and certifications are required to be up-dated annually as a minimum to keep information current, accurate and complete. The electronic annual representations and certifications are effective for one year from date of submission or update to SAM. Solicitation documents will be posted to the web via SAM.gov (sam.gov). Registration is required to access solicitation documents. SAM.gov provides secure access to acquisition-related information, synopsis or pre-solicitation notices and amendments.
