JUSTIFICATION FOR OTHER THAN FULL AND OPEN COMPETITION UNDER AUTHORITY OF 10 U.S.C. § 3204(a)(1) MAINTENANCE, REPAIR, AND OPERATIONS (MRO) PROGRAM

1. Defense Logistics Agency (DLA) Troop Support, Construction and Equipment Supply Chain, is the contracting activity.

2. The action being approved is the award of DLA requirements on an Other than Full and Open Competition basis.

3. The proposed acquisition is for a bridge contract for a period of 548 days to provide for the purchasing of facilities maintenance, repair, and operations (MRO) materials and other supplies including, but not limited to: Heating, Ventilation, and Air Conditioning (HVAC); plumbing supplies (including bath and shower items); electrical products (including generators, wire, connectors, sockets, outlets, lights, etc.); tools of various kinds; chemical, lubricating, and rubber products and products including same; construction supplies (including but not limited to cement, lumber and plywood, bricks, blocks, steel, aluminum, and other metal products, conduits, prefabricated structures, etc.); perimeter security items such as barriers, barbed wire, concertina wire, and sand bags (also used for erosion prevention); communication devices (such as walkie-talkies, two-way radios, etc. used by maintenance personnel); and various other MRO supplies and incidental services needed by war-fighters stationed in the Hawaii Region. The proposed maximum dollar value [redacted]s $150,000,000.00 for a period of 548 days. The original five (5) year contract for this region, SPE8E3-14-D-0001, was awarded to Science Applications International Corporation (SAIC) (now AFFL[1]) with an effective date of September 15, 2014; the contract expired on September 14, 2019. The first bridge contract, SPE8E3-19-D-0015, was awarded with an effective date of September 15, 2019, and expired on December 14, 2020. The second bridge contract, SPE8E3-21-D-0003, was awarded with an effective date of December 15, 2020, and expired on December 14, 2021. The third bridge contract, SPE8E3-22-D-0006, was awarded on December 15, 2021, and expired on January 14, 2023. The fourth bridge contract, SPE8E3-23-D-0014, was awarded on January 15, 2023, and expired on April 14, 2024. The fifth bridge contract, SPE8E3-24-D-0010, was awarded on April 15, 2024, and was set to expire on June 15, 2025. However, the bridge contract ceiling was reached ahead of the contract expiration date. The sixth (current) bridge contract, SPE8E3-25-D-00016, was awarded with an effective date of March 31, 2025 and is set to expire on June 15, 2026. The proposed action will be the seventh bridge contract for the Hawaii Region.

   The proposed bridge contract will have an effective period of June 16, 2026 through December 15, 2027. This time period is necessary to provide support to the region during the award process of the competitive follow-on contract and the implementation period of

[1] During performance of bridge contract SPE8E3-23-D-0014, SAIC sold its business unit responsible for supporting the Hawaii Region to Alaska Slope Regional Corporation (ASRC) Federal Facilities Logistics, LLC (AFFL). The novation agreement was approved by the Defense Contract Management Agency (DCMA) Corporate Administrative Contracting Officer (CACO), and all subsequent bridge contracts are awarded to AFFL, LLC as successor-in-interest to SAIC.

120 days following award of the competitive contract. 120 days is the standard implementation period for the next generation of MRO contracts for zones which support storefronts. One storefront in the zone is currently supported at Fort Shafer. If a competitively awarded contract is issued ahead of the projected timeframe and the contract guaranteed minimum of $50,000.00 is satisfied, orders will no longer be placed under the bridge contract.

4. The applicable statutory authority permitting other than full and open competition is 10 U.S.C. § 3204(a)(1), as implemented by Class Deviation 2026-O0017 Revision 1 – Revolutionary Federal Acquisition Regulation (FAR) Overhaul Part 6, Defense FAR Supplement (DFARS) Part 206, and Revolutionary FAR Overhaul Part 6.103-1, Only one responsible source and no other supplies or services will satisfy agency requirements.
