PRICE QUOTATION INSTRUCTIONS

1. Offerors shall provide pricing for each CLIN identified in the Schedule. Unit prices and extended prices shall be entered for all CLINs.

2. For pricing and invoicing purposes of CLINs 0002 and 0003, offerors should propose 12 monthly payments. The price for the first full month of performance shall be a full

monthly price, with the understanding that it covers the period from 11 Aug 2026 through 10 Sep 2026.

3. CLINs 1001, 1002, 2001, 2002, 3001, and 3002 shall be quoted on a monthly fixed-price basis.

4. CLINs 0004, 0005, 1003, 1004, 2003, 2004, 3003, and 3004 shall be quoted on an hourly fixed-price basis for surge support. The quantities identified represent the Government’s estimated maximum surge hours for evaluation purposes.

5. The total evaluated price shall be the sum of all CLIN extended prices, including the base period, all option periods, phase-in, and surge CLINs.

6. Failure to provide pricing for all CLINs may render the quotation unacceptable.
