COMBINED SYNOPSIS/SOLICITATION

Description:

This is a combined synopsis/solicitation for commercial products or commercial services prepared in accordance with part 12. This announcement constitutes the only solicitation. Offers are being requested and a separate written solicitation will not be issued.

Solicitation number HTC71126RE145 is issued as a request for proposal (RFP) for Stevedoring and Related Terminal Services (S&RTS) in Yokohama and East Japan. This requirement includes the full spectrum of ocean terminal operations, to include the simultaneous discharge and loading of multiple types of vessels, trucks, and railcars; operating staging and call forward areas (including designated areas or facilities for washing or fumigation of imported or exported cargo); and warehousing or providing storage in-transit.

This acquisition is solicited as full and open competition. This solicitation incorporates provisions and clauses by reference. The full text of provisions and clauses may be accessed electronically at www.acquisition.gov.

The North American Industry Classification System (NAICS) code for this requirement is anticipated to be 488320, Marine Cargo Handling with a size standard of $47.0M.

The Government intends to award a single Indefinite Delivery Indefinite Quantity (IDIQ) contract resulting from this solicitation to the responsible Offeror whose offer, conforming to the solicitation, will be most advantageous to the Government, price and other factors considered in accordance with the Request for Proposal (RFP).

The period of performance for this effort includes a five-year base period and an optional six-month extension per FAR 52.217-8, Option to Extend Services.

Base Period: 01 April 2027 through 31 March 2032
52.217-8 Option to Extend Services: 01 April 2032 through 30 September 2032

No hardcopies of the solicitation will be issued. All responsible sources may submit a proposal which will be considered by the agency.
