CONTRACT 482107 FOR
TRAFFIC ENGINEERING SERVICES

This Contract (the "Contract") is between the party named above (the "Contractor"), and Brookhaven Science Associates, LLC ("BSA"), the latter acting under a Prime Contract with the United States of America (the "Government") represented by the United States Department of Energy ("DOE").

I. SCOPE OF WORK

The Contractor shall provide traffic study and traffic safety consulting services in accordance with the attached Statement of Work. Services shall include one (1) Firm-Fixed-Price traffic study, together with additional on-call professional traffic safety and engineering consulting services on an hourly-rate basis when authorized in writing by the BSA Technical Representative. Work may include field observations, traffic data collection and analysis, engineering evaluations, technical memoranda, engineering recommendations, conceptual engineering drawings, meeting attendance, and related traffic engineering support services.

All work shall be conducted in strict accordance with the attached Statement of Work entitled "Traffic Study and Safety Consulting Services SOW,", dated July 30, 2026.

A. **Reports/Deliverables:** The Contractor shall provide the following deliverable(s) to BSA's Technical Representative (Tech Rep):

(Service or Item) and Description	**Due Date**
Traffic Study Report with Findings and Recommendations	Within five (5) weeks following written authorization unless otherwise approved by the Technical Representative
Supporting Engineering Analyses	With Traffic Study Report
Technical Memoranda	As Requested
Engineering Recommendations	As Requested
Conceptual Engineering	As Requested

Drawings	
Meeting Attendance	As Scheduled
Annual Summary	End of Each Contract Year

B. **Key Personnel:** The following individual(s) have been designated as "Key Personnel":

Personnel	**Title**
TBD	Project Manager / Project Lead

The Contractor agrees to assign such employee(s) or person(s) to the performance of the work under this Contract and shall not reassign or remove the above individual(s) without written justification and prior approval of the BSA Contractual Representative.

II. PERIOD OF PERFORMANCE

This Contract shall be effective as of the date executed by both parties. It shall remain in effect through 9/25/2027. ***There are four (4) additional options that are exercisable in 1-year increments at the unilateral discretion of BSA. The options, if exercised, will be exercised by written modification at the prices below. If all options are exercised, this Contract would end 9/25/2031.***

III. FIRM FIXED PRICE AND PAYMENT

A. **Firm Fixed Price:** In full consideration of the Contractor's performance hereunder, BSA shall pay the Contractor the firm fixed price of TBD U.S. Dollars ($TBD). The said sum shall constitute full compensation for all services and materials furnished hereunder.

B. **Additional Consulting Services (Hourly)**
Additional traffic safety and engineering consulting services requested by BSA beyond the Firm-Fixed-Price Traffic Study shall be performed only upon written authorization from the BSA Technical Representative. Such services shall be compensated at the fully burdened hourly labor rates established in the Contractor's Pricing Schedule. Payment shall be based on actual hours performed and accepted by BSA.

C. **Payment:** Payment will be made upon receipt and approval of properly certified invoices. Payment will be in accordance with the following milestone payment schedule:

	Milestone	**Amount**	**Cumulative Amount**
Total		$.00	$.00

Payment terms are Net 30 for large businesses and NET10 for small businesses

Invoices shall be directed to BSA's Accounts Payable Department via email, to apinvoices@bnl.gov.

The Contractor shall indicate the final invoice by clearly marking such invoice as "FINAL." A copy of the final invoice must be submitted to BSA's Contractual Representative.

IV. AUTHORIZED REPRESENTATIVES

A. **BSA's Technical Representative:** _____, telephone no. _____, _____(email), is BSA's Technical Representative, and shall act as liaison between BSA and the Contractor in technical matters only.

B. **BSA's Contractual Representative:** Stephen Johnston, telephone no. (631)344-55742, (email), is BSA's Contractual Representative. Any change or modification in the terms and conditions of this Contract shall require the written approval of BSA's Contractual Representative or designee.

C. **Contractor's Technical Representative**: _____, telephone no. _____, _____(email), is the Contractor's authorized Technical Representative, and shall act as point of contact between BSA and the Contractor in technical matters only.

D. **Contractor's Contractual Representative:** _____, telephone no. _____, _____(email), is the Contractor's authorized Contractual Representative and shall act as liaison between BSA and the Contractor.
