FCC BUTNER - BUT INTERIOR REPAIRS - FLOORING SYSTEM

Q & A

1. Are there any union labor requirements? There are no union labor requirements associated with this project to the best of our knowledge.

2. Is an estimated budget or cost range available? No, offerors are expected to submit quotes based on fair market value and industry standard practices. Cost proposals should reflect accurate, competitive pricing.

3. Is there an anticipated start and completion date for when this work should begin and end? The contractor shall begin performance within 10 calendar days and complete it within 91 calendar days after receiving the notice to proceed. Early completion is permissible and will be viewed favorably, provided all requirements are met.

4. For the NCIC/security background forms (BP-A0660) due ahead of the site visit — do these need to list a named subcontractor, or are they only required for the QCQ personnel who will physically attend the site visit? The NCIC forms are due by June 17th, 2026, at 9:00 a.m., EST. Please ensure to indicate the company or subcontractor the personnel are representing and how many participants in the email with the attached NCIC/s. The NCIC are for the personnel who will physically attend the site visit.

5. Is attendance at the June 23 site visit mandatory in order to submit a responsive proposal, or is it recommended but optional? The attendance at the June 23rd site visit is not mandatory in order to submit a responsive quote. The pre-site visit is optional; however, all offerors are urged to attend.
