Amendment 1 - Response to Questions

Questions	Government's Response
1. What is the due date for the QTY of 116 tow tractors?	The due date for the quantity of one hundred and sixteen (116) is based on the contractor's production rate. The government would like to acquire all tow tractors within thirty-six (36) months after the award has been made. Bidders should include their production rate for the tow tractors in their response to this RFI.
