Addendum to FAR 52.212-1

1. RFQ SUBMISSION INSTRUCTIONS

1.1. Submission Due Date. The offeror must ensure its quote, in its entirety, reaches the required destination before the date and time set for closing of the solicitation. The submission due date for this solicitation is **31 August 2026 at 9:00 AM (CDT).**

1.1.1. The lateness rules for submitted quotes are outlined in FAR 52.212-1 "Instructions to Offerors-Commercial Items," and are incorporated into this solicitation.

1.2. Submission. The quote submitted in response to this solicitation shall be formatted as stated below and furnished electronically to 184WG.MSG.CONTRACTING@us.af.mil. The quote shall only be submitted as described.

1.3. Quote Compliance. The Government must have received from the offeror a fully compliant quote. The quote is compliant when it conforms to all the requirements, terms, and conditions of the solicitation.

1.4. Quote Acceptance. FAR 52.212-1(c) is hereby tailored for this solicitation: The contractor shall specify a quote acceptance period in the quote Summary of not less than 60 days from the date of the closing date of the solicitation. This date may be extended by mutual agreement. The contractor shall make a clear statement in the quote as to the expiration date of the quote and the stated expiration date shall be valid for all proposed subcontractors as well.

1.5. Quote Retention. In accordance with FAR Subpart 4.8, Government Contract Files, the Government will retain one copy of all unsuccessful quotes.

1.6. Single Quote Submission. FAR 52.212-1 is hereby tailored to remove subparagraph (e) which does not apply to this solicitation. Offerors are limited to submitting one quote with one approach to meeting all the requirements of this solicitation. Quotes that contain alternative terms and conditions will be considered as taking exception to the requirements of the solicitation.

1.7. All or None. FAR 52.212-1(h) is hereby tailored for this solicitation: Offers in response to this solicitation must be submitted for all the requirements identified in the solicitation. Offers submitted for less than all the requirements called for by this solicitation may be rejected or ineligible for award.

2. QUOTE FORMAT

2.1. This section provides guidance to the offeror for preparing a quote in response to the solicitation. The offeror's quote shall include all data and information required by this solicitation and submitted in accordance with these instructions. Any contract resulting from this effort shall be required to meet United States Government regulations and statutory requirements. In addition, the offeror is expected to ensure compliance with all laws, regulations, standards, and any other constraints specifically identified in the solicitation.

2.2. The quote submitted in response to the solicitation shall be formatted as stated below and furnished as stated herein. The acceptable electronic formats for quotes shall be compatible with MS Office 365, specifically MS Word and MS Excel and PDF format is acceptable. All quotes shall be labeled with the solicitation number (W50S7X-26-Q-0010) as well as the name, address, Unique Entity ID (UEI), and telephone number of the Offeror. All volumes shall be electronic files and not be password protected.

2.3. Quotes may not include classified information.

3. QUOTE DOCUMENTS

3.1. Quotes shall be clear and concise and include sufficient detail for effective evaluation. The offeror shall not simply rephrase or restate the Government's requirements but shall provide convincing rational to address how the offeror intends to meet those requirements. The offeror should assume the Government has no prior knowledge of its capabilities and experience. The Government will base its evaluation on the information presented in the offeror's quote in response to this solicitation. The offeror shall prepare the quote to include pricing and any information that will let the government clearly compare the offer to the salient characteristics outlined above.

3.2. Quote shall include:

- Solicitation No. W50S7X-26-Q-0010
- Date submitted
- Offeror's name
- Offeror's address, CAGE code, and UEI
- Offeror contact information for quote POC(s)
- Quote Acceptance Period

3.3. Signature Actions/offeror Fill-Ins. Offerors shall submit a copy of all completed fill-ins for provisions and clauses requiring contractor provided information, and (if applicable) a signed copy of all amendments to the solicitation. System for Award Management (SAM) certifications

need not be separately submitted; however, all offerors must be successfully registered and valid in SAM prior to award.

3.4. Where certifications and approved systems are required for an offeror, if the quote is being submitted by a Joint Venture, certifications and approved systems for the principals (partners) of the joint venture will be considered as valid for that offeror providing the necessary documentation from all principals (partners) is provided with the quote.

3.4.1. Joint Venture (JV): To be recognized as a JV and eligible for award, the membership arrangements of the JV must be identified and the company relationships fully disclosed in the offeror's quote IAW FAR 9.603. A copy of the agreement establishing the JV must contain the signatures of all the members comprising the JV.

3.5. Statement of Acknowledgement. Any exceptions taken to the attachments, exhibits, enclosures, or other solicitation terms, conditions, or documents may be grounds for the Contracting Officer to reject the quote from further consideration in the source selection process.

3.6. Assumptions. The offeror shall consolidate and identify all offeror's generated "assumptions" contained anywhere in the quote. Also, the offeror shall include a statement that none of the "assumptions" contradict or take exception to any terms, conditions, or requirements of the solicitation. Any exceptions taken to the attachments, exhibits, enclosures, or other solicitation terms, conditions, or documents may be grounds for the KO to reject the quote from further consideration in the source selection process.

52.212-2 - Evaluation-Commercial Products and Commercial Services (Feb 2026) (Deviation 2026-O0038)

Addendum to FAR 52.212-2

EVALUATION FACTORS FOR AWARD

The Government will award a contract resulting from this solicitation to the lowest price responsible offeror that meets the technical requirement.

1. Basis for Award

1.1. The Government intends to award a single Firm-Fixed Price (FFP) Contract from this solicitation.

1.2. Per FAR 9.103, the contract will be placed only with an offeror that the Contracting Officer determines to be responsible, that is, those who can satisfactorily perform the necessary tasks and deliver the required product on time. Prospective offerors, to qualify as sources for this acquisition, must be able to demonstrate that they meet standards of responsibility set forth in FAR 9.104. In addition, the Government may assess the offeror’s financial ability to meet the solicitation requirements. No award can be made to an offeror who has been determined to be not responsible by the Contracting Officer.

1.3. Completeness. The Government's ability to evaluate a quote may depend on the level of detail and supporting documentation provided. Insufficient supporting documentation or detail in a quote may prevent the Government from evaluating a quote.

1.4. The Government will assess the offeror's quote on 2 factors: Price and Technical

1.4.1. Price is equal to technical evaluation.

2. EVALUATION OF PRICE FACTOR

2.1. Evaluation of price will be performed IAW RFO FAR 12.203(a)(3). Price analysis techniques will be used to determine whether prices are reasonable, complete, and are not unbalanced.

2.2. Reasonableness. The Government will evaluate the price reasonableness of the offerors' proposed prices to ensure that in its nature and amount, it does not exceed what would be incurred by a prudent person in the conduct of competitive business.

2.3. Completeness. The Government reserves the right to conduct discussions with offerors, but discussions are not anticipated or intended. Since discussions are not anticipated or intended, the Government requires complete quotes with respect to price. A complete quote will include all information required by this solicitation.

3. EVALUATION OF TECHNICAL FACTOR

3.1. This factor will be evaluated based on an offeror's capability statement. This should be concise, maximum 2 page document detailing your core competencies and past performance related to this requirement of Backflow Preventer Replacement.

3.2. Relevance. The government will evaluate alignment of capabilities with the requirement

3.3. Past performance. Positive and relevant experience that meets the requirement
