11 June 2026

MEMORANDUM FOR POTENTIAL OFFERORS

FROM: AFLCMC/ESAK
75 VANDENBERG DRIVE
HANSCOM, AFB MA 01731-2103

SUBJECT: AN/TMQ-53 Tactical Meteorological Observing System (TMOS) Contractor Logistics Support (CLS), Request for Proposal (RFP), FA2330-26-R-B006

1. The Weather Branch in the Aerospace Management Systems Division of the Air Force Life Cycle Management Center (AFLCMC/ESAK) invites companies to submit a proposal to the subject RFP. Proposals will be due no later than **5:00 p.m. EDT on Monday, 13 July 2026**, after the release of RFP has been posted to SAM.gov. Proposals must be submitted to the Procuring Contracting Officer (PCO), Captain Ryan Weitgenant, at AFLCMC/ESAW, 75 Vandenberg Drive, Hanscom AFB, MA O 1731 in accordance with Section L - Instructions to Offerors.

2. This solicitation is published as a total small business set-aside. The Government has determined, IAW RFO Subpart 19.103, that the NAICS classification of 541990- All Other Professional, Scientific, and Technical Services best describes the principal nature of the product and service being acquired and represents the greatest percentage of the contract price. This classification is assigned a Small Business Association (SBA) size standard of annual receipts of less than $19.5M. If you disagree with this assessment of a total set-aside, please notify the Contracting Officer within seven (7) days of notice.

3. The proposal shall state a validity period of one hundred and eighty (180) calendar days from the date of submittal.

4. Notice to Offeror(s)/Supplier(s): Funds are not presently available for this effort. No award will be made under this solicitation until funds are available. The Government reserves the right to cancel this solicitation, either before or after the closing date. In the event the Government cancels this solicitation, the Government has no obligation to reimburse an offeror for any costs.

5. Any contract that results from this solicitation will be an indefinite delivery, indefinite quantity contractual ordering vehicle. The Government will evaluate and establish a contract vehicle with a four-year base ordering and performance period with a six-month extension option. Funds for any agreed upon minimum order and future orders will be obligated by delivery/task order and not by the contract which directly results from this solicitation.

6. All inquiries regarding this RFP must be submitted to the PCO, Capt. Ryan Weitgenant at ryan.weitgenant.1@us.af.mil. For administrative tracking please include Stephanie Prentice at stephanie.prentice@us.af.mil.
