b. The provision at FAR 52.212-1, Instructions to Offeror – Commercial Products and Commercial Services (Sept 2023) **applies** to this solicitation. In addition, the following addendums identified below applies.

(1) Addendum to FAR 52.212-1(a) Submission of offers.

(a) The Offeror **shall complete** the Vendor Information and Pricing section under paragraph 4.a. of this solicitation.

(b) The Offeror **shall complete and submit** the Contractor Responsibility Verification form (Attachment 2), along with supporting documentations required by the form.

(e) The contractor's offer **must meet** the minimum requirements of the solicitation. Unless requested from the Contracting Officer, quote revisions received after the solicitation close date/time will not be accepted. Responses should contain your best terms and conditions. The government reserves the right to evaluate the quotes and award without interchanges.

(f) **The government will not accept any refurbished equipment; all equipment provided must be new.**

(g) Addendum to FAR 52.212-1(b) Period for Acceptance of Offers. The Offeror agrees to hold the prices in its offer firm for 60 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

c. The provision at 52.212-2 Evaluation—Commercial Products and Commercial Services (Nov 2021) **applies** to this solicitation. In addition, the following addendums identified below applies.

(1) The addendum to FAR 52.212-2, Evaluation - Commercial Products and Commercial Services (Date) as provided below applies to this acquisition.

(2) The Government will award a contract to the responsible offeror whose offer conforming to the solicitation will provide the best value to the Government. The best value for the Government is an offer that has a fair and reasonable price.

(3) The **following factors** shall be used to evaluate offers:

(a) Price – The Government will evaluate if the offeror's total proposed is fair and reasonable. A comparison of proposed prices received in response to the solicitation is the preferred and intended price analysis technique. If adequate price competition is not feasible, the government reserves the right to perform price comparison from the result of the government's market research and/or any other reasonable basis as determined by the government.

(5) A written notice of award or acceptance of an offer shall be furnished to the successful offeror. The resultant award shall therefore be binding without further action by either party unless the Contracting Officer requests a written confirmation or signature from the contractor.

Anticipated Award Date: On or about 25 Aug 2026.
