16. REMARKS

Data Item Description DI-MISC-80711A: Delete block 10 instructions entirely and follow instructions in TRD Para. Configuration Baseline (Request For Change documents (RFCs)).

The contractor shall prepare and submit RFCs for Government review in accordance with the TRD section for Configuration Management when there is a change as defined by TRD section Request for Change to or departure from a contractual baseline.

All RFCs shall be submitted for Government review or notification within 5 working days of Contractor approval and prior to presentation for acceptance, but not later than 30 days, of any such product.

Data shall be submitted and exchanged electronically in Microsoft Office suite of applications (MS Word, Excel, Power Point, Access, and Project). Alternate formats may be allowed subject to Government review and approval.

If the CDRL Data Deliverable is priced and is not NSP (Not Separately Priced), then an electronic DD Form 250 will be required via the Wide Area Workflow website in order for the contractor to receive payment for the data deliverable (see section G of the Contract). E-mail notification is required with any electronic submission.

Data Acquisition Document can be referenced at the following website:
https://quicksearch.dla.mil/qsSearch.aspx

All correspondence regarding CDRLs will be addressed to the Post Award PC, Britney Noble at britney.d.noble.civ@army.mil.

Item 11. Specify as-of date of data item, when applicable.

Item 12. Specify when first submittal is required.

Item 13. Specify when subsequent submittals are required, when applicable.

Item 14. Enter addressees and number of draft/final copies to be delivered to each addressee. Explain reproducible copies in Item 16.

Item 15. Enter total number of draft/final copies to be delivered.

Item 16. Use for additional/clarifying information for Items 1 through 15. Examples are: Tailoring of documents cited in Item 4; Clarification of submittal dates in Items 12 and 13; Explanation of reproducible copies in Item 14.; Desired medium for delivery of the data item.

FOR THE CONTRACTOR

Item 17. Specify appropriate price group from one of the following groups of effort in developing estimated prices for each data item listed on the DD Form 1423.

a. Group I. Definition - Data which is not otherwise essential to the contractor's performance of the primary contracted effort (production, development, testing, and administration) but which is required by DD Form 1423.

Estimated Price - Costs to be included under Group I are those applicable to preparing and assembling the data item in conformance with Government requirements, and the administration and other expenses related to reproducing and delivering such data items to the Government.

b. Group II. Definition - Data which is essential to the performance of the primary contracted effort but the contractor is required to perform additional work to conform to Government requirements with regard to depth of content, format, frequency of submittal, preparation, control, or quality of the data item.

Estimated Price - Costs to be included under Group II are those incurred over and above the cost of the essential data item without conforming to Government requirements, and the administrative and other expenses related to reproducing and delivering such data item to the Government.

c. Group III. Definition - Data which the contractor must develop for his internal use in performance of the primary contracted effort and does not require any substantial change to conform to Government requirements with regard to depth of content, format, frequency of submittal, preparation, control, and quality of the data item.

Estimated Price - Costs to be included under Group III are the administrative and other expenses related to reproducing and delivering such data item to the Government.

d. Group IV. Definition - Data which is developed by the contractor as part of his normal operating procedures and his effort in supplying these data to the Government is minimal.

Estimated Price - Group IV items should normally be shown on the DD Form 1423 at no cost.

Item 18. For each data item, enter an amount equal to that portion of the total price which is estimated to be attributable to the production or development for the Government of that item of data. These estimated data prices shall be developed only from those costs which will be incurred as a direct result of the requirement to supply the data, over and above those costs which would otherwise be incurred in performance of the contract if no data were required. The estimated data prices shall not include any amount for rights in data. The Government's right to use the data shall be governed by the pertinent provisions of the contract.
