Site Visit Attendee Form

W50S8X26QA016 - 129 Janitorial Services

Submit this form NLT 10 June 2026 4:00PM PST to:

CMSgt Rolando Zuniga rolando.zuniga.2@us.af.mil and

MSgt Austin Breault autin.breault.1@us.af.mil

A site visit is scheduled for Monday 15 June 2026 at 10:30AM PST. at Moffett ANGB. A pre-site visit briefing will be held at the Emergency Management Classroom in the 129th Civil Engineer Facility, Building 683, Moffett ANGB, California. Attendees will be directed from the installation's main gate, Building 600, to the Civil Engineer Facility. The site visit will be held following the pre-site visit briefing. For orientation purposes, the nearest GPS address to the contractor's commercial inspection gate is 934 Macon Rd., Moffett Field, CA 94035. The purpose of the site visit is to provide a better understanding of existing site conditions and building layouts. The site visit is a tour only; no questions will be answered during this onsite visit. Questions will be noted and sent to the Contracting Officer. Deadline to submit RFIs is 16 June 2026.

All parties planning to attend must submit this form by due date from the Combined Synopsis Solicitation Coversheet. All attendees must be listed; last-minute substitutions will not be allowed. There is a limit to space and time allocated to this event. Companies are limited to two representatives. A valid REAL ID-compliant driver's license or passport is required to be on the premises. Check-in will begin 15 minutes prior to the start. Attendees late will not be allowed to attend. Copy of the Government issued photo identification must be submitted with this form. On ground point of contact information will be provided in response to acceptance of this submitted form.
