Question	Answer
From the Technical Specifications: *F) Quality Assurance Requirements* *4. The delivered oscillator shall* ***comply with the ISO 9001 quality system model****, as well as US FDA laser product requirements*. What form would you like us to provide our confirmation that the delivered equipment meets the requirements of the ISO 9001 standard?	ISO 9001 is a quality management system certification. Based on this requirement, we are requesting that the manufacturer be ISO 9001 certified. As evidence of compliance, we would need a copy of the manufacturer's current ISO 9001 certification.
