aware of the criminal penalties applicable in the event of false statements, pursuant to Articles 47 and 76 of Presidential Decree 28 December 2000, No. 445, and Article 11, paragraph 3 of Presidential Decree 20 October 1998, No. 403, having regard to Articles 26 (paragraph 1) and 90 (paragraph 9), and Annex XVII of Legislative Decree No. 81/2008,

DECLARES

a) That the company is duly registered in the Business Register (Registro delle Imprese), with a Corporate Purpose relevant and appropriate to the type of work assigned.
b) That all obligations regarding occupational health and safety, as required by Legislative Decree No. 81/08 and subsequent amendments, have been fulfilled.
c) That the Risk Assessment Document (DVR) has been prepared.
d) That the Responsible of the Prevention and Protection Service (RSPP) has been appointed.
e) That the Occupational Health Physician has been appointed (Medico Competente).
f) That Fire Safety and Emergency Response Personnel, as well as First Aid Personnel, have been appointed and have received the required initial training and subsequent refresher training.
g) That Safety Monitors (Preposti) have been identified and have received the required initial training and subsequent refresher training.
h) That the workers have elected or designated the Workers' Safety Representative (RLS), and that the RLS has received the mandatory initial training and subsequent refresher training.
i) That all machinery, equipment, and temporary works to be used during the performance of the activities comply with the provisions of Legislative Decree No. 81/08, are accompanied by conformity documentation, and are subject to scheduled maintenance by competent personnel as well as legally required periodic inspections.
j) That all workers employed during the performance of the activities are duly registered in the company's employment records and have been medically certified as fit for their assigned tasks.
k) That all workers are provided with adequate Personal Protective Equipment (PPE) necessary to safely perform their duties.
l) That all workers have received appropriate information, training, and instruction for their role and tasks, including general and specific safety training, qualification for the use of work equipment, and authorization for operating machinery.
m) That all workers are provided with an identification badge with photograph, containing their personal details (surname, name, date of birth, role or task), as well as the Employer's details (company name, VAT number).
n) That the company is compliant with all legal tax, wage, and social security obligations.
o) That the company is not subject to any suspension or prohibition measures under Art. 14, paragraph 1 of Legislative Decree No. 81/2008.
p) That the company possesses all the required technical and professional suitability requirements (pursuant to Article 26, paragraph 1, letter a), point 2, and for construction sites, pursuant to Article 90, paragraph 9 of Legislative Decree No. 81/2008) and/or holds SOA certification where required.
q) That the company complies with the points-based license system ("Patente a Punti") required under Article 27 of Legislative Decree No. 81/2008 for activities carried out in temporary or mobile construction sites (where applicable).
r) That, in the event of subcontracting, the technical and professional suitability of the subcontracted companies has been verified, and that cooperation has been ensured by providing the Client with all information necessary for the assessment of interference risks.
s) That an RCO (Employer's Liability) and RCT (Third-Party Liability) insurance policy has been duly taken out.

Please, Attach the following:

- Copy of the Employer's Identity Card (valid)
- Copy of the Certificate of Registration with the Chamber of Commerce, Industry and Crafts (recent copy)
- Single Insurance Contribution Compliance Certificate – DURC (valid)
- Single Tax Compliance Certificate – DURF (valid)

The Company authorized the processing of their data pursuant to EU Regulation 2016/679 (GDPR) and Legislative Decree 196/2003.
