CONTRACT DATA REQUIREMENTS LIST
(1 Data Item)

Form Approved
OMB No. 0704-0188

The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services Directorate (0704-0188). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.

16. REMARKS

BLK 4: Manufacturer's Identification Symbols used in lot numbering must be registered per MIL-HDBK-1461 'Ammunition Manufacturers and Their Symbols'.

BLK 7: The electronic receiving report shall be annotated with the Lot Number, National Stock Number and Nomenclature. The electronic receiving report shall also be annotated to reflect if additional submittals are to be furnished or if this is the final submittal of data. The electronic receiving report shall be used only for this data item; do not combine other data item submittals with this requirement. Electronic receiving report required via internet Wide Area Work Flow (WAWF) at: https://wawf.eb.mil.

BLK 8: Within 30 calendar days of receipt, Government Engineer through the Government Contracting Officer (AFLCMC/EBHKB) will respond with notice of approval/disapproval. Failure to comment/approve/disapprove within 30 calendar days does not constitute full/final acceptance by the Government.

BLK 9: DISTRIBUTION STATEMENT B. Distribution authorized to U.S. Government agencies; CTI & Export Controlled [date of determination]. Other requests must be referred to AFLCMC/EBHJ.

WARNING - This document contains technical data whose export is restricted by the Arms Export Control Act (Section 2751 of Title 22, United States Code) or the Export Control Reform Act of 2018 (Chapter 58 Sections 4801-4852 of Title 50, United States Code). Violations of these export laws are subject to severe criminal penalties. Disseminate in accordance with provisions of DoD Directive 5230.25 and DoD Instruction 2040.02.

BLK 11 & 12: Submit after successful Lot Acceptance Test and prior to delivery of each production lot.

BLK 14: A sample ADC or "draft" will be generated and submitted for each part number/NSN produced under this contract using the Worldwide Ammunition-data Repository Program (WARP) system to ensure general format and content is acceptable prior to final ADC submittals. Sufficient hard copies of final version ADCs shall be generated for each individual production lot from the Worldwide Ammunition-data Repository Program (WARP) such that at least one hard copy per production lot shall be provided with each individual CLIN shipment/destination. An electronic copy for each production lot shall be submitted/uploaded with the electronic receiving report through WAWF to AFLCMC/EBHJ using DoDAAC FA8213.

CONTRACT DATA REQUIREMENTS LIST
(1 Data Item)

Form Approved
OMB No. 0704-0188

The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services Directorate (0704-0188). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.

16. REMARKS

BLK 4: Contractor's format, compatible with government applications, is acceptable. Follow content preparation and instructions listed in the Data Item Description.
*Contractor shall host a post award meeting to include key personnel from contracting, management, and technical/quality no later than 30 calendar days after contract award. This conference is to assure a clear and mutual understanding of the contract between the Government and contractor. The Post Award conference shall include discussions on contract terms, conditions and requirements, line items and sequence of events needed for successful execution of the subject contract effort.

BLK 9: DISTRIBUTION STATEMENT B. Distribution authorized to U.S. Government agencies; CTI & Export Controlled [date of determination]. Other requests for this document must be referred to AFLCMC/EBHJ, Hill AFB, UT 84056.

WARNING - This document contains technical data whose export is restricted by the Arms Export Control Act (Section 2751 of Title 22, United States Code) or the Export Control Reform Act of 2018 (Chapter 58 Sections 4801-4852 of Title 50, United States Code). Violations of these export laws are subject to severe criminal penalties. Disseminate in accordance with provisions of DoD Directive 5230.25 and DoD Instruction 2040.02.

BLK 11 & 12: Contractor shall prepare and deliver Post Award conference/meeting minutes no later than 30 calendar days after the completion of the post award conference. The Post Award meeting minutes shall document attendees, significant activities, action items, and issues/concerns from the meeting including the Government's and Contractor's presentation materials and briefing charts.

BLK 14: Submit meeting minutes electronically via DoD SAFE: https://safe.apps.mil/ in Microsoft Office software or PDF format to the email recipient listed below. Refer to contract for email address of the Government Contracting Officer (AFLCMC/EBHKB).
