Program Solicitation

Information Innovation Office

BORDEAUX

DARPA-PS-26-20

March 2, 2026

Amendment 03

June 4, 2026

Amendment 03

Subject: Notice of Solicitation Suspension

Reference: DARPA-PS-26-20, Bordeaux Program Solicitation

Effective Date: June 5, 2026, at 12:00 PM Eastern Time (ET)

Point of Contact: Mark Jones, DARPA Agreements Officer
Bordeaux@darpa.mil

Action:

The Government advises all prospective proposers to immediately cease preparation of proposals in response to this solicitation. This suspension is necessary to resolve a DARPA system discrepancy.

No submissions will be accepted while the solicitation is suspended. Submissions received prior to the posting of this amendment will not be reviewed unless the solicitation is unsuspended via a posted amendment.

The Government reserves the right to amend the Bordeaux program further or cancel the current Program Solicitation and issue a new Broad Agency Announcement or Program Solicitation. The Government will issue an amendment in the future to lift the suspension or cancel the solicitation.
