Miscellaneous text in this section has been modified to:

10 U.S.C. 3805 requires the Government obtain "adequate security for Government financing." See Revolutionary Federal Acquisition Regulation (FAR) Overhaul (RFO) 32.202-4. The only Government financing offered in this solicitation is installment payment financing for commercial products and commercial services. See RFO 32.206(g) and RFO clause 52.232-30. The Government will consider all types of security listed at RFO 32.202-4. Security is not due with the proposal. Security is not required if the successful offeror does not wish to receive Government financing. A bid guarantee is required with the proposal only if performance and payment bonds are used as the method of security.

Amendment 0008 adds the attached impedance data sheet and the attached factory testing data.
