Combined Synopsis/Solicitation Number: W912HQ26S0059

Request for Quotation – UMSB Break Room Install

I. GENERAL INFORMATION

This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Revolutionary FAR Overhaul (RFO) 12.201 – Streamlined Solicitation for Commercial Items, as supplemented with additional information included in this notice and RFO Part 12 procedures. This announcement constitutes the only solicitation. Offers are being requested and a separate written solicitation will not be issued.

A Firm Fixed Priced (FFP) award will be made in accordance with the following:

This acquisition is being solicited as a small business set-aside. The North American Industrial Classification System (NAICS) code for this acquisition is 238290, Other Building Equipment Contractors; with a size standard of $22,000,000.00. PSC Code M1EB, Operation of Maintenance Buildings.

II. NATURE OF ACQUISITION:

The U.S. Army Corps of Engineers Headquarters has a requirement to install 15 linear feet of premium cabinetry, countertop, a sink, a commercial refrigerator, and all associated rough-in plumbing and waste pump systems in Bldg.2592 Annex Suite 1100 located on USACE Mission Support Battalion. This procurement will be awarded under Simplified Acquisition Procedures. All contractors will need to meet at the CUDE Building 2592, 7701 Telegraph Road, Alexandria, Virginia 22315 for check-in. All contractors who wish to be at the site visit must send their names, phone numbers, and company names to the Contract Specialist, Rick Klein, via email. All contractors must be US Citizen or US National and possess a valid Government ID. Must have driver license to enter Facilities. It is the Offeror's responsibility to ensure the quote has been received by the contracting office via email. Fax quotes will not be accepted. Late quotes will be processed in accordance with RFO 52.212-1(c) "Late submission, modifications, revisions, and withdrawals of offers." Upon receipt of the electronic offer, the Government will acknowledge receipt of that offer via email to the Offeror.

III. SCHEDULE OF SUPPLIES/SERVICES:

The U.S. Army Corps of Engineers has a requirement to install 15 linear feet of premium cabinetry, countertop, a sink, a commercial refrigerator, and all associated rough-in plumbing and waste pump systems in Bldg.2592 Annex Suite 1100 located on USACE Mission Support Battalion.

Period of Performance:
All work is to be completed no later than 90 days after the date of contract award.

Performance will take place at:
The Offeror's facility; some travel may be required. See the SOW for additional information.

IV. BASIS FOR AWARD – RFO

All offers will be comparatively evaluated based on the factors described below: **Technical Capability, Past Performance, and Price**. Offers must be submitted using the CLIN structure below on page 2 of this CSS.

As documented in Solicitation W912HQ26S0059, the basis of award of this requirement is:

> *Basis for award: The Government will award a Contract resulting from this solicitation based on our receipt of a complete technical proposal and a responsive price proposal that is deemed fair and reasonable. The proposal must be such that we can determine you to be responsive and responsible, and that your price for the first Contract is fair and reasonable. See FAR 52.212-2 for the factors that will be used to evaluate your proposal.* All work is to be performed in accordance with the attached Statement of Work (SOW).

Solicitation W912HQ26S0059 established the following Evaluation Factors that will be used in this document to evaluate the proposals:

- **Technical Capability/Approach**

  The Offeror must submit a technical work plan to detail how the Offeror will meet the performance requirements in the Statement of Work. The Offeror must limit their **technical work plan** to no more than ten (10) typed pages that explains the Offeror's capabilities as required in the SOW – Qualifications and Experience, and ability to produce a manuscript meeting the requirements in the SOW. Key personnel resumes are highly encouraged and do not count against the page limitation.

- **Past Performance** - *provide two references for same or similar work performed in the last two years.*

- **Price:** *see explanation for price proposal in clause 52.212-1.*
  This factor will use price analysis to determine the total evaluated price. The price factor will be evaluated for price reasonableness in accordance to RFO 12.204(a). Contract Line Items: This requirement and associated contract line item number (CLIN) is provided below (also are contained below within the SOW):

CLIN	Description	Quantities	Units of Measure	Total
0001	Break Room Install	1	Job	
Total				

Prices must show the total price that meets the requirements in the SOW, including all overhead and G&A. This purchase order will be a firm-fixed price contract. The Offeror must submit proposed total and extended pricing to complete the required services.

These three factors: Technical Capability, Price, and Past Performance, will be comparatively evaluated.

The Government intends to award a contract without discussions with respective offerors. Offerors shall submit sufficient information in the format specified in Quote Preparation Instructions. Offerors may be asked to clarify certain aspects of their offer (e.g., the relevance of technical capability information).

V. QUOTE PREPARATION INSTRUCTIONS

52.212-1 ADDENDUM - INSTRUCTIONS TO OFFERORS – COMMERCIAL ITEMS (Sep 2023)

To ensure timely and equitable evaluation of quotes, offerors must comply with instructions contained herein. Offers must be complete, detailed and respond directly to the requirements of this solicitation.

a. Interested parties capable of providing the requirement must submit a signed and dated offer on company letterhead with unit prices, extended prices, discount terms, tax identification number, CAGE code, and UIN in response to this solicitation. Offerors must clearly identify any exception to the solicitation terms and conditions and provide complete accompanying rationale.

b. All offer information shall be emailed to Rick Klein at Richard.C.Klein@usace.army.mil. The offer must be signed and dated by an authorized official of the company. Electronic submissions via e-mail are required.

c. Offerors must provide pricing for the total price to complete the required services, the hourly rate proposed for each labor category and subtotal cost of labor for each of the labor categories.

d. To be eligible to receive an award resulting from this RFQ, Contractors must be registered in the System for Award Management (SAM) database, no exceptions. To register, please visit http://www.sam.gov.

e. **Insurance:** Insurance shall be required in accordance with FAR 52.228-5, Insurance-Work on a Government Installation. The amount of insurance required is described in FAR 28.307-2, Liability.

f. **Wage Determination:** Work must be performed with employees who are paid consistently with the prevailing wage rates for this area. The applicable Wage Determination (VA20260178) is attached. Please contact Mr. Klein if you have questions.

g. **Safety:** SSHO or Competent person: You must have an OSHA-certified competent person onsite during all working activities. This person can perform trade work, provided they are in the presence of the other workers and are able to see their work activities.

VI. CONTRACT TERMS AND CONDITIONS:

The Following Provisions and Clauses Are Incorporated by Full Text:

RFO 52.212-2 Evaluation -- Commercial Items

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to comparatively evaluate offers: **Technical Capability, Past Performance, and Price.**

A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
