Evaluation Factors for Award

The following clauses were modified:

52.212-2 Evaluation-Commercial Products and Commercial Services. (Deviation 2026-O0038) Feb 2026 hereby reads as follows:

hereby reads as follows:

Evaluation-Commercial Products and Commercial Services (Feb 2026) (Deviation 2026-O0038)

The Government will evaluate all quotes received in response to this solicitation for its technical acceptability. All technical acceptable quotes will be ranked from lowest to highest price. The lowest priced offeror who is technically acceptable will receive the award. The award will be made to that offeror without further considerations. award. The award will be made to that offeror without further considerations.

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

Technical Capability and Price

(b) *Options (if applicable)*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

(c) *Notice of award*. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of provision)
