EVALUATION PROCEDURES
MCAS MIRAMAR AIR SHOW

Award will be made to the responsible quoter offering the lowest price technically acceptable quotation.
Quoters must provide a quotation for all contract line items (CLINs) listed below. One award will be made for all CLINs.

For each CLIN, the quotation must provide for the brand name or an equivalent meeting the listed specified salient characteristics, including delivery requirements. To be considered for award, quotations must be for the exact quantities listed in the Request for Quote (RFQ). The Government does not wish to take delivery of greater or lesser quantities.

To be considered for award, quotations must clearly show the total price of the quotation, inclusive of all CLINs and transportation charges, delivered to the destination specified.
