AoI Posting – Scrap Cardboard & Paper Disposal (Commissaries in Germany)

In accordance with the Commercial Opportunity Solution – Defense Commissary Agency (DeCA), dated 04.10.2026, paragraph 5.0, the following specific requirement in support of AoI 5.4 Lower Costs\ is provided requesting innovative solutions for the purchase and disposal pf recyclable scrap cardboard and paper (SCP), from the following commissaries in Germany.

- Ramstein Air Base
- Spangdahlem Air Base
- Baumholder
- Vogelweh
- Grafenwöhr
- Vilseck

Our objective is to source commercial vendor solutions that can provide a turn-key capability for the on-site disposal of scrap cardboard and paper (SCP) (storage bins or other solution) for the locations identified above, along with the purchase, collection and disposal of the SCP that complies with host nation laws and regulations. Solutions on confirming weight of purchased SCP product in also requested.

The SCP consists of ordinary-grade commercial packaging waste (DIN EN 643 grade 1.04.00) predominantly originating in the U.S. The total annual quantity for the six locations is estimated at 700 metric tons.

Interested vendors with capability in the purchase, collection and disposal of scrap cardboard and paper should submit their written Commercial Solution Proposal (Phase III) in accordance with section 3.4 Commercial Solution Proposal found in the supporting Commercial Solutions Opportunity letter.

Interested offerors are asked to submit their Commercial Solution NLT 3 June 2026 at 1:00 PM Central European Summer Time (CEST).

All communications on this opportunity shall be sent via email to the following points of contact:
