(Signature of person authorized to sign)		*(Signature of Contracting Officer)*	

Continuation of block 14. DESCRIPTION OF AMENDMENT/MODIFICATION

The purpose of this amendment is to do the following:

1) Update attachment: KC-46 LGPBL TRD Main.

    a. This update makes changes to sections 3.8 and 3.8.2 to allow O&A parts procedures to apply to both the shipsets and subcomponent overhauls. This removes potential challenges to providing a FFP PPE for the subcomponents by allowing for the additional repair or replacement of the O&A parts (outside of CMM requirements) within the subcomponents to be paid for outside of the FFP proposed in the TEP.

2) Update attachment: KC-46 LGPBL APPENDIX A – Supply Chain and Program Management.

    a. This update makes changes to section 8.0 to update the O&A language to be inclusive of subcomponent overhauls.

    b. This update also adds language to provide an avenue for reimbursement of work performed by the contractor for actual costs incurred prior to the BER determination.

See attachments for updated TRD Main and TRD Appendix A.

3) Incorporate by reference into the solicitation: FAR 52.222-90 Addressing DEI Discrimination by Federal Contractors (DEVIATION 2026-O0040, REVISION 1)(APR 2026)

All other terms and conditions remain unchanged.
