Attachment 1 – INP certified Basic Guard Training

[Excerpt: pages 264-270 of INP document "Training Portfolio – Guards at INP-Guided Institutions" of January 2020.]

1. "Basic" level guard - Training:

A. Length of training: 6 days with pistol
B. Training code in the INP system: Basic Guard Course – 6 days: 44
C. Ammunition quantity for training: 200 rounds
D. <u>Notable points in Basic Guard training:</u>

1. This training is intended principally for guards for business licensing, educational institutions and guards for other bodies in accordance with the security concept.
2. Prior to the conducting of the training, the head of training and the instructors are responsible for asking each trainee where they to work as a guard, to provide emphasis to each trainee in accordance with where he/she is intended for and to perform drills accordingly, during each leg of training throughout the training course.
