4. The statutory authority permitting other than full and open competition is 10 U.S.C. 3204(a)(1) as implemented by FAR 6.302-1.
Available from only one or a limited number of sources.

5. The Government requires spare parts that are form, fit, and functionally interchangeable with those currently used on the supported end item or weapon system. The acquisition is restricted to the following source(s) of supply, which are the only source(s) known to have the capability of furnishing the required supplies and the only source(s) currently approved by the design control activity.

CAGE	COMPANY NAME
78286	SIKORSKY AIRCRAFT CORPORATION

The use of the authority at 10 U.S.C. 3204(a)(1) is based on:

AMC 3. Acquire, for the second or subsequent time, directly from the manufacturer.

The following AMSC descriptions are-available in DFARS PGI 217.7506 Part 2.

AMSC C. This part requires engineering source approval by the design control activity in order to maintain the quality of the part. Existing unique design capability, engineering skills, and manufacturing knowledge by the qualified source(s) require acquisition of the part from the approved source(s). The approved source(s) retain data rights, manufacturing knowledge, or technical data that are not economically available to the Government, and the data or knowledge is essential to maintaining the quality of the part. An alternate source must qualify in accordance with the design control activity's procedures, as approved by the cognizant Government engineering activity. The qualification procedures must be approved by the Government engineering activity having jurisdiction over the part in the intended application. If one source is approved, AMCs 3, 4, or 5 are valid. If at least two sources are approved or if data is adequate for an alternate source to qualify in accordance with the design control activity's procedures, AMCs 1 or 2 are valid.

On December 19, 2025, the Product Specialist of record certified the accuracy of the approved source(s) and applicable AMC/AMSC codes. A copy of the certification is attached.

6. The following efforts are being made to ensure that offers are solicited from as many sources as practicable:
The acquisition will be synopsized on or about January 7, 2026, for a period of 15 days.
The solicitation will be posted to the DLA Internet Bid Board System for a minimum of 30 days.
