Enclosed for your review are minor redline modifications to the Broad Agency Announcement (BAA) No. 693JJ325BAA0001 for the Accelerating Market Readiness Program.

These proposed changes ensure this BAA no longer contains language or activities identified in the recent Diversity, Equity, Inclusion and Accessibility related Executive Order(s).

**BAA Main Document**: Removed the listing of FHWA strategic goals and objectives from Section 1.1 Background.

**BAA Appendix C**: Removed Topic Areas 4 and 5. This document will be updated with new topic areas for the second call when needed.

Please contact the COR for this task order, Amit Armstrong (amit.armstrong@dot.gov) with any questions regarding BAA No.: 693JJ325BAA0001.
