None

5. GENERAL INFORMATION/OTHER CONSIDERATIONS

5.1. Contractor Employees

Contractor shall not hire employees of the United States Government and/or employees otherwise under contract for service to the United States Government if employing such persons would create a conflict of interest, or appearance of a conflict of interest as determined by the Contracting Officer. Contractor shall not employ any person who is an employee of DoD, unless such person seeks and receives approval according to DODD 5500.7, Standards of Conduct.

5.2. Publication Review

All research findings funded by the U.S. Government under this statement of work that are to be publically released, (e.g., draft publication and conference presentation/proceedings) must be coordinated with ITC-IPAC Program Manager for technical review, even if the period of performance has ended.
