SECTION L - INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

L-21. AMC-LEVEL PROTEST PROGRAM

If you have complaints about this procurement, it is preferable that you first attempt to resolve those concerns with the responsible Contracting Officer. However, you can also protest to Headquarters, AMC. The HQ, AMC-Level Protest Program is intended to encourage interested parties to seek resolution of their concerns within AMC as an Alternative Dispute Resolution forum, rather than filing a protest with the General Accounting Office (GAO) or other external forum. Contract award or performance is suspended during the protest to the same extent, and within the same time periods, as if filed at the GAO. The AMC protest decision goal is to resolve protests within thirty-five (35) days as prescribed in FAR 33.103(g). To be timely, protests must be filed within the periods specified in FAR 33.103. If you want to file a protest under the AMC-Level Protest Program, the protest must request resolution under that program and be sent to the address below:

HQ U.S. Army Materiel Command
Office of Command Counsel-Deputy Command Counsel
4400 Martin Road, Rm A6SE040.001
Redstone Arsenal, AL 35898-5000

Email address: usarmy.redstone.usamc.mbx.protests@army.mil

All other agency-level protests should be sent to the contracting officer for resolution. Protests to the contracting officer shall be filed at the appropriate installation address or see FAR Clause 52.233-2 in Section I, for the address.

The AMC-level protest procedures are located at:

http://www.amc.army.mil/Connect/Legal-Resources/

If Internet access is not available, contact the contracting officer or HQ AMC to obtain the AMC-Level Protest Procedures.

L-22. SIGNATURE AUTHORITY

a. The individual signing this offer must have authority to bind the offeror to a contract. FAR 4.102(a) through (e) require that the contracting officer have specific evidence of the signer's authority to bind the offeror. This evidence of authority is a condition that must be met before the contracting officer can execute any contract resulting from this solicitation.

b. Offerors must provide evidence, appropriate to their business category, of the signer's authority to bind them on a contract.

This evidence may be:
(1) Furnished as an attachment to its offer; or
(2) Identified in its offer by specific reference to an earlier offer submitted to this buying office within the past 12 months, where the signer's authority was confirmed by attachment to that offer; or;
(3) Furnished upon receipt of a specific request for the information from the contracting officer.

L-23. SUBMISSION OF SUBCONTRACTING PLAN

Note that such a plan is not required of offerors that are small businesses.

b. Each page of the subcontracting plan shall be marked with solicitation number and date and may also be marked with other codes or identification symbols to aid in later identification. If this is a negotiated acquisition, the subcontracting plan may be negotiated along with the cost, technical, and managerial features of the offeror's proposal.

c. Failure to submit and, if applicable, negotiate an acceptable subcontracting plan which, in the judgment of the Contracting Officer, provides the maximum practicable opportunity for small business, veteran-owned small business, service-disabled veteran-owned small business, Historically Underutilized Business Zone (HUBZone) small business, small disadvantaged business, and women-owned small business concerns to participate in the awarded contract shall render the offeror ineligible for award. Offerors should be aware of the statutory goal that has been placed on the Department of Defense to award five percent of its total planned subcontracting dollars to small disadvantaged businesses (including Alaskan Native Corporations (ANCs) and Indian tribes and Historically Black Colleges and Universities and Minority Institutions) at the prime contract and subcontract levels. In view of this Congressional mandate, large businesses shall provide specific explanation as part of any written subcontracting plan furnished in response to this solicitation/contract that identifies a goal for subcontracting to small disadvantaged business concerns and/or ANCs and Indian tribes and/or Historically Black Colleges and Universities and/or Minority Institutions that, in the aggregate, amounts to less than five percent of the proposal's total subcontracting dollars.

d. For additional guidance, offerors may contact the current Small Business Subcontracting Plan goals/targets for the U.S. Army Aviation and Missile Command (AMCOM) Office of Small Business at usarmy.redstone.amcom.list.osbp-all@army.mil.
