FA8650-22-S-5004, AMENDMENT 01

UPDATED CONTRACTING POC

Federal Agency Name: Air Force Research Laboratory, Materials & Manufacturing Directorate, Structural Materials Division

Advanced Research Announcement Title: Experiments, Prototypes, Research, and Evaluation Supporting Systems (EXPRESS)

Advanced Research Announcement Type: Amendment 01

Advanced Research Announcement Number: FA8650-22-S-5004

This amendment updates the Contracting POC established in the ARA.

This amendment revises the ARA under the following section:

Overview Information

Submission: The AF requests electronic white papers/proposals be submitted as the final copy for a stated research objective using DoD SAFE (https://safe.apps.mil/) and an email confirmation listing the documents submittedvia DoD SAFE. Documents shall have uniformity when labelling as such: "CompanyName – Document Name – Date of Document" for all steps of submission. If a revision is needed, please request a new link and resubmit the proposal in full. Proposals must be submitted to the Contracting Point of Contact (POC): Ms. Gabrielle Sherer, AFRL/RXKMC, gabrielle.sherer@us.af.mil

Address contracting questions to the Contracting POC: Mr. Mark Smith, AFRL/RXKMC, 2130 8th Street, Building 45, Wright-Patterson AFB, OH 45433-7541, mark.smith.142@us.af.mil
