SITE VISIT INSTRUCTIONS

An organized site visit has been scheduled for **9:00 AM CT on Thursday, April 23rd, 2026**. Attendees will meet in the **North Entrance lobby**.

Location:

Garland VA Medical Center

2300 Marie Curie Boulevard

Garland, TX 75042

Point of Contact:

Samantha Hites, Healthcare Engineer

(682) 415-0129 | Samantha.Hites@va.gov

Instructions:

All contractor vehicles must be parked in employee parking. Please utilize the Northwest lot, designated in the attached maps. The walkthrough will begin promptly at 9:00 AM CT. Please arrive approximately 10-15 minutes early to sign in. During the walkthrough, contractors will be escorted together as a group by the point of contact. Branching off from the group or entering unauthorized areas, regardless of familiarity with the facility, is strictly prohibited.

No questions will be answered during the walkthrough. Any oral responses should be considered information-only. Contractors should formally submit their questions in writing in accordance with the solicitation. Formal responses to questions received before the cutoff will be provided via amendment to the solicitation in SAM.gov.

Although not required, it is highly recommended that all attendees thoroughly review the construction drawings ahead of time. Contractors may also print copies of drawings and specifications to bring with them during the walkthrough. Handheld measuring devices are permitted but must not disrupt facility operations.

Due to the ongoing care of our Veterans, there may be areas that cannot be accessed during the site visit. Any questions regarding these areas can be addressed during the technical question period of the solicitation.

Thank you for your attention to these instructions. Your professionalism, adherence to facility regulations, and commitment to the safety of our patients and staff are essential for a productive and respectful site visit. Please remember the empty chair, and keep in mind that our highest priority is to protect those who have served.
