Ques. #	Reference (Sect/Para/Page or PWS Sect)	Question	Government Response
19	RFP Section J (page 46)	Section J identifies "Exhibit A-L" with the Title "Exhibit Line Item Numbers (ELINS)". These Exhibits do not appear to be included in the solicitation documents. Will the Government please provide these Exhibits or clarify Section J?	"Exhibit A-L" was inadvertently not uploaded to FBO. "Exhibit A-L" has been incorporated to the RFP via Amendment 0003.
20	JB-1 Cost Summary Worksheet; BASE tab, cells E28 and F28	The referenced cells contain #REF! errors. Will the Government please clarify if it intends to release a revised JB-1 or if offerors are expected to correct all such errors in pre-written formulas in solicitation documents?	The Government does not intend to release a revised JB-1 as it is a sample format of the type of cost breakdown detail required for each contract period. Cells E28 and F28 were intended to sum the column similar to the adjacent formula in cell G28. The cost summary worksheets submitted by Offerors should not contain errors.
21	M.1.A.1., M.1.C.7 and M.1.C.1.	Paragraph M.1.A.1 includes the statement that: Award may be made to other than the lowest priced proposal or other than the highest technically rated proposal. Paragraph M.1.C.1 states that the "Proposal's cost for evaluation purposes shall be Mobilization/Demobilization/Base/Service Extension and all Option Periods". Paragraph M.1.C.7 states that "The proposed indirect rate ceilings will be reviewed for reasonableness and the degree to which it accomplishes the Government's desire to control costs." The referenced M.1.C paragraphs explain the evaluation and construction of evaluated costs and indirect rates, but do not mention the construction of a price. Will the government please provide its intended fee calculations in regard to the price as alluded to in the referenced statement in paragraph M.1.A.1?	The term "priced" in paragraph M.1.A.1 in this solicitation refers to the total estimated costs and award fee of all the CLINS in Section B. For information related to the Award Fee and required cost breakdown detail, please refer to RFP Volume 1 – Cost Proposal, Under Part (8) Supporting Cost Data.
