Army-Watercraft Sustainment Maintenance (A-WSM) Program
Announcement 0001

The purpose of this announcement is to inform industry that the Army-Watercraft Sustainment Maintenance (A-WSM) Program is established. The original name of this program was Global MATO and has since evolved to the A-WSM Program.

The Government intends to release more announcements and Requests For Information (RFI) in the near future. Each Announcement or RFI posted will begin with 0001 under the A-WSM Program. Please add the AWSM Program to your watch list to receive automatic emails from the FBO system when a modification occurs.

Please submit any inquiries to usarmy.detroit.acc.mbx.wrn-watercraft@mail.mil.
