Defense Logistics Agency
Pratt & Whitney GN2 Pipeline
Industry Day and Facilities Tour
Rules of Engagement

15 March 2018
Pratt & Whitney Rocketdyne (FL)
Jupiter, FL 33478

No more than two (2) representatives per company are allowed to attend the Industry Day and facilities tour. All attendees must be pre-registered for security purposes. The Government reserves the right to deny admittance to any representatives who are not pre-registered or who exceeds the limitation of participants. In order to attend the base facilities tour, attendees must be prepared to present identification in accordance with the requirements of entering the Pratt & Whitney Pipeline site.

PROCEDURES AND GUIDANCE:

- No more than two (2) attendees per company.
- Contractor representatives are not allowed to request individual meetings or site visits.
- Individual tours will not be provided for representatives unable to attend.
- During the tour, Contractor representatives must remain in authorized areas and with Government escorts at all times.
- Contractor representatives are discouraged from any interaction that might impede performance by personnel currently working in the area being toured.
- Contractor representatives are warned that any questions or discussions that may be considered as an attempt to gain source selection information may result in dismissal from the Industry Day.
- Pratt & Whitney personnel are discouraged from interacting with potential Offerors outside of the scheduled Industry Day.
- Interested parties are highly encouraged to review the posted documents prior to attending the Industry Day. Copies of the Statement of Objective will not be provided at the Industry Day.

The **SOLE POINTS OF CONTACT** for questions or concerns are the Contracting Officer, Patricia Bocock at patricia.bocock@dla.mil, or the Contract Specialist, James Bartley at james.bartley@dla.mil.
