SOLICITATION NO. 1232SA26Q0735 – RFI'S WITH RESPONSES

JUNE 29, 2026

1. **QUESTIONS:** Is the existing brand of the metal siding panels/system known?

   RESPONSE: UNKNOWN.

2. **QUESTION:** Is there a preference on the new brand of metal panels?

   RESPONSE: NO

3. **QUESTION:** Will the Guard shack be temporarily relocated to allow the new metal panel system to be installed? It will be impossible to install the new exterior metal panels on the new framing in that area correctly unless the Guard shack is moved out of the way.

   RESPONSE: THE SITE DOES NOT HAVE THE CAPABILITY TO MOVE THE GUARD SHACK.

4. **QUESTION:** Will the owner be handling the removal/reinstallation of all electrical, Security, and Access Control devices that are mounted on and around the metal framing scheduled to be replaced?

   RESPONSE: ALL REMOVAL/REINSTALATION/MOUNTING OF ALL ELECTRICAL, SECURITY, ACCESS CONTROL DEVICES AND LIGHTING SHALL BE COMPLETED BY THE CONTRACTOR IN COORDINATION WITH AND ASSIST FROM THE ONSITE ELECTRICIAN.

5. **QUESTION:** What is the specific gauge of 6" metal stud/track that should be included in the bid?

   RESPONSE: UNKNOWN (should have been measured during site visit)

6. **QUESTION:** Is there a basis-of-design (for bidding purposes) of the corrugated metal siding?

   RESPONSE: NO

7. **QUESTION:** Is the existing brand/information known of the corrugated metal siding?

   RESPONSE: UNKNOWN

8. **QUESTION:** Is there a basis-of-design (for bidding purposes) of the corrugated metal roofing?

   RESPONSE: NO

9. **QUESTION:** Is the existing brand/information known of the corrugated metal roofing?

   RESPONSE: UNKNOWN

10. **QUESTION:** Will entire structure have all studs and track replaced?

    RESPONSE: SEE SOW SPEC 3.0

11. **QUESTION:** Are there any drawings available?

    RESPONSE: NO

12. **QUESTION:** What rebar pattern is to be used?

    RESPONSE: UNKNOWN

13. **QUESTION:** What gauge metal studs and what width?

    RESPONSE: Guage: UNKNOWN, width: 6” (should have been measured during site visit)

14. **QUESTION:** What gauge metal roofing?

    RESPONSE: UNKNOWN

15. **QUESTION:** What thickness is aluminum siding?

    RESPONSE: UNKNOWN (should have been measured during site visit)
