Site Visit

Offerors are urged to inspect the site where the work will be performed. The Government will host a site visit on Monday, June 15, 2026, at 9am EST at the following location:

National Institute of Standards and Technology
100 Bureau Drive, Building 215 Lobby
Gaithersburg, MD 20899

Offerors interested in attending the site visit must submit their request for visitor badge via email to Drew.Comley@nist.gov by no later than Thursday, June 11, 2026. Offerors shall use the email subject line:

Site Visit – B215 HEPA Filter Replacement, 1333ND26RNB190014

All requests **must** include the following information:

1. Visitor's full legal name.
2. Visitor's country of citizenship.

NIST Gaithersburg is a secure federal facility. On the date of the site visit, all Visitors to NIST Gaithersburg may access the site, through the Visitor Center from the main gate (Gate A) at W. Diamond Ave. and Bureau Drive. All visitors must be preregistered and present photo identification and vehicle registration information upon arrival. NIST can only accept a state-issued driver's license or identification card for access to federal facilities if issued by states that are REAL ID compliant or have an extension.

For more information about visiting the NIST Gaithersburg campus, please visit https://www.nist.gov/visit.

For NIST Visitor, Associate and Contractor Protocols for Mitigating COVID-19 Exposure on NIST Campuses, please visit https://www.nist.gov/visit/nist-visitor-associate-and-contractor-protocols-mitigating-covid-19-exposure-nist-campuses

Inquires and Request for Information (RFI)

Offerors must submit all questions concerning this solicitation in writing, electronically via email to Richard.Stevens@nsit.gov and Drew.Comley@nist.gov, using the following email subject line:

RFI – B215 HEPA Filter Replacement, 1333ND26RNB190014

Questions should be received no later than June 19, 2026; the Government may not respond to questions received after this date. Any responses to questions will be made in writing, without identification of the questioner, and will be included in an amendment to the solicitation. Even if provided in other form, only the question responses included in the amendment to the solicitation will govern performance of the contract.
